

Holly Holtzen, Ph.D.

Director of Research and Strategic Planning

Dr. Holly Holtzen became OHFA's Director of Research and Strategic Planning in December 2009. Prior to joining OHFA, she was a post-doctoral fellow at the University of Texas Medical Branch, Sealy Center on Aging where she examined social factors associated with health outcomes among underserved populations. Dr. Holtzen holds a Ph.D. in health services research from Old Dominion University and a master's degree in public administration from Troy State University.
