## Ohio 811 PRA Program Informational Sessions and Property Review

### WHAT

The Ohio 811 Project Rental Assistance (PRA) program aims to boost the supply of permanent supportive housing for extremely low-income individuals with disabilities who are eligible for the Ohio Department of Medicaid's HOMEChoice program.

This event centers on owners, developers and property managers who are looking to participate or expand their involvement in the program. The Ohio Housing Finance Agency (OHFA) and Corporation for Supportive Housing (CSH) will discuss regulations surrounding the program and project eligibility.

Additionally, developers and owners are encouraged to bring properties for a review of Ohio 811 PRA eligibility. OHFA staff will be available at the end of the meeting to review projects for a preliminary determination of eligibility.
