Eco Village Apartments is a 60-unit family community in Fostoria, Ohio which benefits from a 100% Project-Based Section 8 HAP Contract. The site is located in a NON-PARTICIPATING JURISDICTION and is directly adjacent to Fostoria Townhomes, a successful 2014 9% LIHTC award, and contains (8) apartment buildings

Eco Village displays much of the same appearance from its original construction in 1978. Under this proposal, the community will be rehabbed to update the sidewalks and curbs to be ADA compliant. The roofs and vinyl siding will be replaced along with the installation of new Energy Star rated windows. Unit improvements are to include replacing kitchen appliances, cabinets, and counter tops, all first level flooring, showers and surrounds, electrical devices, entry and interior doors, and new split-system HVAC. The rehab will greatly assist in continuing to provide a quality affordable housing option to low-income family households.
