

## **Paula Steele**

### *Policy Administrator*

Paula Steele joined OHFA as its Policy Administrator in 2019 with more than 30 years of private and public sector experience. In the private sector, she earned her Series 7 license, worked as a corporate treasurer, and was the founder and president of an online business. Her government experience includes auditing for Ohio's Auditor of State and serving the executive branch of multiple administrations in various capacities, including director of special projects and the lead of the Ohio Business Gateway Modernization Project. Paula graduated from the honors program at The Ohio State University with a bachelor's degree in business administration.
