CSH is the national champion for supportive housing, demonstrating its potential to improve the lives of very vulnerable individuals and families by helping communities create over 335,000 real homes for people who desperately need them. CSH funding, expertise and advocacy have provided \$1 billion in direct loans and grants for supportive housing across the country. Building on nearly 30 years of success developing multi and cross-sector partnerships, CSH engages broader systems to fully invest in solutions that drive equity, help people thrive, and harness data to generate concrete and sustainable results. By aligning affordable housing with services and other sectors, CSH helps communities move away from crisis, optimize their public resources, and ensure a better future for everyone.
