Collectively, the Enterprise family of companies makes up a proven and powerful national social enterprise that improves communities and people's lives by investing in well-designed homes that are affordable. We reinvest our earnings directly back into building opportunity by bringing together the nationwide know-how, partners, policy leadership and investments to multiply the impact of local affordable housing development. Over more than 35 years, Enterprise has created 662,000 homes, invested more than \$53 billion and touched millions of lives.

AFFORDABLE
HOUSING IS

AND WE'RE IN
IT FOR GOOD.

We've dedicated 40 years to improving as many lives as possible by creating well-designed, affordable homes and connecting people to opportunity.

We are in it for the long haul. We're in it for good.
