Wallick Communities has established itself as a leader in the development and management of affordable multifamily and senior housing. Together, our four operating divisions – Development, Property Management, Construction and Asset Management – have developed or constructed over 400 communities and currently manage 12,000 residential units across 170 communities. Founded in 1966 by Jack Wallick and now owned by his adult children, Howard Wallick and Julie Wallick, and CEO Tom Feusse, the business adheres to its founder's ideals of integrity and consistent quality.
