Exhibit D – OHFA Investment Policy

This document will govern the investment activities of the Ohio Housing Finance Agency (OHFA). It will be reviewed periodically by OHFA’s Chief Financial Officer (CFO) for compliance and to assure the flexibility necessary to effectively manage the portfolio.

I. Scope

This Investment Policy applies to the General Fund of the OHFA, which includes funds in the operating account. The General Fund is the resource for OHFA’s working capital and cash needs. The CFO is responsible for management of these funds and the administration of this Investment Policy.

II. General Objectives

The primary objectives, in priority order, of investment activities shall be safety, liquidity and yield:

1. Safety
   Safety of principal is the foremost objective of the investment activity.

2. Liquidity
   The investment portfolio shall remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated.

3. Return
   The investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account investment risk constraints and liquidity needs.

III. Standards of Care

1. Prudence
   Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived.

2. Ethics and Conflicts of Interest
   Officers and employees involved in the investment process shall refrain from personal business activity that could conflict with the proper execution and management of the investment program, or that could impair their ability to make impartial decisions.

3. Delegation of Authority
   The CFO shall be responsible for all transactions undertaken and shall establish a system of controls to regulate the activities of subordinate officials. No person

may engage in an investment transaction except as provided under the terms of this policy and the procedures established by the CFO.

The CFO may delegate investment transactions to a qualified investment advisor to become the OHFA’s money manager provided that said advisor meets standard industry qualifications.

IV. Suitable and Authorized Investments

The following investments will be permitted by this policy:

1. United States Treasury Bills, notes, bonds or any other obligations or securities issued by the United States Treasury or any other obligations guaranteed as to principal and interest by the United States.

2. Bonds, notes, debentures, or any other obligations or securities issued by any federal government agency or instrumentality. All federal agency securities shall be direct issuances of federal government agencies or instrumentalities.

3. Certificates of deposit in agency-approved depositories, provided those deposits are properly insured or collateralized.

4. Bonds or other obligations of this state or the political subdivisions of this state. Municipal bonds must be rated at the time of purchase in the three highest classifications by at least one (1) nationally recognized rating service and shall be limited to a maximum 20% of the overall portfolio.

5. No-load money market mutual funds consisting exclusively of obligations described in (1) or (2) and repurchase agreements secured by such obligations.

7. Bankers acceptances and commercial paper notes. Bankers’ acceptances and commercial paper must be rated at the time of purchase in the highest classification by at least two (2) nationally recognized rating services. Bankers’ acceptances shall not mature more than 180 days after the date of purchase. Commercial paper shall not mature more than 270 days after the date of purchase.

The aggregate percentage of the overall portfolio to be invested in certificates of deposit, commercial paper, bankers’ acceptances, or repurchase agreements shall be limited to a maximum of 40%.

The OHFA will also minimize the risk in placing a large portion of the portfolio with a single security issuer by limiting the exposure to 5% of the total portfolio at the time of purchase. This requirement does not apply to investments issued by the U.S. government or its agencies or instrumentalities, investments in money market mutual funds, and STAR Ohio.

V. Maximum Maturity

Investments made by the OHFA must mature within five (5) years from the date of settlement, unless the investments are matched to a specific obligation or debt of the OHFA.

VI. Safekeeping and Custody

All security transactions, including collateral for repurchase agreements and financial institution deposits, entered into by the OHFA shall be on a cash (or delivery vs. payment) basis. Securities managed by the OHFA’s selected investment advisor must be held by a
separate outside independent third party custodian designated by the CFO in the name of the OHFA and evidenced by supporting safekeeping records as determined by the CFO.

VII. Reporting

The CFO shall establish and maintain an inventory of all investments and produce a quarterly market price report for all securities held.

The investment portfolio will be managed in accordance with the parameters specified within this policy. A series of appropriate benchmarks shall be established against which portfolio performance shall be compared on a regular basis. The benchmarks should be reflective of the actual securities being purchased and risks undertaken and the benchmarks should have a similar duration as the portfolio.

VIII. Authorized Financial Institutions

The OHFA shall develop criteria to designate authorized financial institutions. Such criteria and a list of authorized financial institutions shall be submitted annually to the OHFA Board.

The OHFA, or the designated investment advisor, shall maintain a listing of approved broker/dealers. Qualified investment advisors assisting the OHFA in the management of its overall portfolio may purchase and sell investment securities in accordance with this policy and may utilize their own approved list of broker/dealers and security issuers; however, the list shall fully comply with the criteria maintained in this policy. The advisor's list of approved broker/dealers must be submitted to the OHFA staff and Board on an annual basis.

IX. Authorized Investment Advisors/Brokers

All financial institutions, broker/dealers and advisors which desire to conduct investment business with the OHFA must sign this Investment Policy, certifying they have read it, understand it and agree to abide by its contents. Should OHFA utilize an investment advisor, the advisor will be responsible for signing this certification and is accountable for compliance with the investment policy.

The effective date of this policy is November 18, 2015.

The total compensation to be paid to Contractor under this Agreement will not exceed $______________ Dollars ($______________). Consequently, Contractor will only be paid for services actually performed which may be less than the total compensation allocated in this section. If travel expenses are contemplated and agreed upon by the Parties as necessary in order to perform the services described in Exhibit I, Contractor will be compensated for travel expenses at the rates set forth in the Office of Budget and Management’s Travel Rules more fully stated in Ohio Administrative Code 126-1-02 (the “Expense Rule”). Contractor agrees that it will not be reimbursed and Sponsor will not pay any items that are deemed to be “non-reimbursable travel expenses” under the Expense Rule. This provision is subject to the compensation limit stated herein.

5. **Proper Invoicing Method.** Contractor must submit proper invoices that are itemized and clearly include all of the following:
   a) Contractor’s legal name, street address, email, phone number and (if applicable) fax number;
   b) OHFA contact information including email address;
   c) Invoice sent date and due date;
      d) P.O. number or contract number;
      e) Invoice number;
      f) Terms of payment;
      g) Delivery of the commodity or performance of the service described in Exhibit I;
      h) Date or dates of the purchase or rendering of the service;
      i) An itemization of the things or service done, the material supplied, respective hourly rate associated with the service performed or the amount of labor furnished; and
      j) The sum due pursuant to that invoice in relation to the total compensation owed under the Agreement.

The adequacy and sufficiency of Contractor’s invoices will be determined solely by Sponsor. If Sponsor determines that an invoice is inadequate or insufficient, or determines that further documentation or clarification is required for a particular invoice, the burden of providing the required information or documentation is on Contractor. Costs incurred by Contractor which are associated with providing the required additional information or documentation and costs related to defending an inadequate or insufficient invoice will not be charged to Sponsor and will not be considered an allowable expense under this Agreement. Failure to comply with this section will delay payment to Contractor under this Agreement. Further, a Purchase Order Number must be issued by the Sponsor prior to this Agreement being signed by the Sponsor.

6. **Contractor’s Expenses.** Contractor is solely responsible for all office, business, and personal expenses associated with the performance of this Agreement unless otherwise stated herein.
7. **Acknowledgment of Independent Contractor Status.** Contractor acknowledges and agrees that any individual providing personal services under this Agreement is not a public employee for purposes of Ohio Revised Code (“ORC”) Chapter 145. Sponsor considers Contractor to be an independent contractor or any other classification other than a public employee, and as such, will make no contributions to the public employees retirement system (“OPERS”) on Contractor’s behalf. If Contractor has fewer than five (5) employees, Contractor has been provided an acknowledgment form attached hereto as Exhibit II, which must be completed by the Contractor, returned to Sponsor, and subsequently sent to the Ohio Public Employees Retirement System within thirty (30) days of the start date of this Agreement as required under ORC Section 145.038. That acknowledgment form states that the individuals employed by the Contractor understand that they are independent contractors, not public employees, and as such are not entitled to OPERS benefits based on this Agreement. It is further agreed that neither Contractor nor its employees or agents are “employees” of Sponsor as the term is used in ORC Section 124.01(F) and, therefore, are not eligible for vacation, medical insurance, sick leave, parental leave, leave of absence, tenure, bumping rights, retirement, or any other benefits or rights, which are incidents of public employment subject to the civil service laws of Ohio. Moreover, Contractor is responsible for any compliance with labor laws and contracts as it pertains to any union employees under its employment. Nothing herein contained will be construed to place the parties in the relationship of partners or joint venturers or of franchisor/franchisee.

8. **Data and Information Control.**
   a) **Confidentiality.** The Contractor may learn of information, documents, data, records, or other material that is confidential in the performance of this Agreement. The Contractor may not disclose any information obtained by the Contractor as a result of this Agreement, without the Sponsor’s written permission to do so. The Contractor must assume that all Sponsor information, documents, data, source codes, software, models, know-how, trade secrets, or other material is confidential. In addition, the Contractor may not disclose any documents or records excluded by Ohio law from public records disclosure requirements.

   The Contractor’s obligation to maintain the confidentiality of the information will not apply where the information:
   i. Was already in the Contractor’s possession before disclosure by the Sponsor, and the information was received by the Contractor without the obligation of confidence;
   ii. Is independently developed by the Contractor;
   iii. Is or becomes publicly available without breach of this Agreement except as provided in the next full paragraph;
   iv. Is rightfully received by the Contractor from a third party without an obligation of confidence;
   v. Is disclosed by the Contractor with the written consent of the Sponsor; or
   vi. Is released in accordance with a valid order of a court or governmental agency, provided that the Contractor:
      • Notifies the Sponsor of such order immediately upon receipt of the order; and
      • Makes a reasonable effort to obtain a protective order from the issuing court or agency limiting disclosure and use of the confidential information solely for the purposes intended to be serviced by the original order of production.

   Although some sensitive personal information, such as medical records, addresses, telephone numbers, and social security numbers may be publicly available through other sources, the Contractor will not disclose or use any sensitive personal information in any manner except as expressly authorized in this Agreement. Therefore, notwithstanding item iii above, the Contractor has an obligation to maintain the confidentiality of sensitive personal information and will do so.
The Contractor must return all original sources of information or data provided by the Sponsor and destroy any copies the Contractor has made on termination or expiration of this Agreement.

The Contractor will be liable for the disclosure of any confidential information. The Parties agree that the disclosure of confidential information originating from the Sponsor may cause the Sponsor irreparable damage for which remedies other than injunctive relief may be inadequate, and the Contractor agrees that in the event of a breach of the obligations hereunder, the Sponsor is entitled to temporary and permanent injunctive relief to enforce this provision without the necessity of proving actual damages. However, this provision will not diminish or alter any right to claim and recover damages.

Contractor will report security and privacy incidents to Sponsor in the most expedient time possible but not later than thirty days following its discovery or notification of the breach and will cooperate with the Sponsor and its response team in determining the scope of the breach and the affected users.

b) Public Records And Retention Of Documents And Information. The Contractor acknowledges that this Agreement, as well as any information, Deliverables (as such term is defined in Exhibit I), records, reports, and financial records related to this Agreement are presumptively deemed public records pursuant to ORC 149.43. The Contractor understands that these records must be made freely available to the public unless the Sponsor determines that, pursuant to state or federal law, the requested materials are confidential or otherwise exempt from disclosure. The Contractor must comply with any direction from the Sponsor to preserve or provide documents and information, in both electronic and paper form, and to suspend any scheduled destruction of such documents and information.

c) Security and Safety Rules. When using or possessing Sponsor data or accessing Sponsor networks and systems, the Contractor, its employees, subcontractors and agents must comply with all applicable Sponsor rules, policies, and regulations regarding Sponsor-provided IT resources, data security, and integrity. When on any property owned or controlled by the Sponsor, the Contractor must comply with all security and safety rules, regulations, and policies applicable to people on those premises.

a) Termination for Convenience: The Sponsor may terminate this Agreement for its convenience by issuing written notice to the Contractor. The Contractor will be entitled to the pro-rated contract price for any Deliverable or portion of a Deliverable that the Contractor has delivered and the Sponsor has accepted before the written notice of termination. Total payments will not exceed the amount payable to the Contractor as if the Contract had been fully performed. Upon notice of termination, Contractor will immediately cease all work under this Agreement and take all necessary or appropriate steps to limit disbursements and minimize costs in ceasing all work. Contractor will be required to furnish a report setting forth the status of all activities under the Agreement including, but not limited to, the work completed and the payments received by Contractor and any other information as Sponsor may require. This will be the Contractor’s exclusive remedy in the case of termination for convenience and is available to the Contractor only after the Contractor has submitted a proper invoice.

b) Termination for Breach. Sponsor may immediately terminate this Agreement, in whole or in part, by written or oral notice to Contractor for any of the following reasons:

i. Contractor fails to perform the services or deliver the product further described in Exhibit I by the date required or by any later date as may be agreed upon by the Parties through an amendment to this Agreement;

ii. Sponsor determines that the services or product to be provided under this Agreement is inadequate for the initially intended use or cannot be feasibly adapted to the intended use;
iii. Any warranty or assurance provided by Contractor in this Agreement is found to have been false or incorrect when made or Contractor fails to immediately notify Sponsor that a warranty or assurance in this Agreement was subsequently found to be false or incorrect;

iv. Contractor or any of its subcontractors perform services under this Agreement outside the United States;

v. Contractor makes any general assignment for the benefit or creditors, closes its business, becomes subject to a court order appointing a receiver, trustee, or similar official to act on its behalf, or files bankruptcy;

vi. Contractor becomes the subject of any proceeding under any law related to bankruptcy, insolvency, reorganization, or relief from debtors; or

vii. In Sponsor’s sole opinion, Contractor becomes insolvent or in an unsound financial condition so as to endanger performance under this Agreement.

The Sponsor, in its sole discretion, may provide written notice to Contractor of a breach and permit the Contractor to cure the breach. The cure period provided by Sponsor may not exceed 21 calendar days. During the cure period, the Sponsor may buy substitute services from a third party and recover from the Contractor any costs associated with acquiring those substitute services. Notwithstanding the Sponsor permitting a period of time to cure the breach or the Contractor’s cure of the breach, the Sponsor does not waive any of its rights and remedies provided the Sponsor in this Agreement, including but not limited to recovery of funds paid for services the Contractor performed outside of the United States, costs associated with corrective action, or liquidated damages.

Sponsor will not be obligated to pay for any services or products provided under this Agreement if Contractor’s actions result in any one of the conditions for Termination for Breach described above. Contractor will also immediately return all funds paid to the Sponsor if it or any of its subcontractors cause a Termination for Breach to occur. Sponsor may also recover all costs associated with any corrective action that it may undertake from the Contractor if the Contractor or any of its subcontractors cause a Termination for Breach to occur, including an audit or risk analysis related to Contractor’s performance of services outside the United States. The Sponsor may also recover all accounting, administrative, legal and other expenses reasonably necessary for the preparation of the termination of the Agreement and costs associated with the acquisition of substitute services from a third party.

c) Termination for Just Cause. Sponsor may terminate this Agreement, in whole or in part, for just cause upon thirty (30) days written notice to the Contractor. Upon notice of termination, Contractor will immediately cease all work under this Agreement and take all necessary or appropriate steps to limit disbursements and minimize costs in ceasing all work. Contractor will be required to furnish a report setting forth the status of all activities under the Agreement including, but not limited to, the work completed and the payments received by Contractor and any other information as Sponsor may require. Subject to any claim for damages arising from Contractor’s breach, Contractor will be entitled to compensation for work completed through the date Contractor received notice of termination upon submission and approval of proper documentation or invoices.

d) Waiver. No term or provision of this Agreement will be deemed waived and no breach excused unless the waiver of consent is in writing and signed by both Parties to this Agreement.

e) Costs Associated with Termination for Cause.

i. Sponsor may recover all accounting, administrative, legal and other expenses reasonably necessary for the preparation of the termination of the Agreement and costs associated with the acquisition of substitute services from a third party.

ii. If the Sponsor determines that actual and direct damages are uncertain or difficult to ascertain, the Sponsor in its sole discretion may recover a payment of liquidated damages in the amount of one percent of the value of the Agreement.
10. Certification of Funds. It is expressly understood by Sponsor that none of the rights, duties, and obligations described in this Agreement will be binding on either party until all statutory provisions under the Ohio Revised Code and procedural requirements under OHFA’s bylaws have been complied with. Moreover, no act by OHFA’s Board is considered binding upon or a restriction upon a future OHFA Board. If at any time sufficient funds are not available or appropriated to continue funding any payment due under this Agreement, this Agreement will terminate in accordance with the “Termination for Just Cause” provision in Article 9(c).

11. Equal Employment Opportunity. Pursuant to ORC 125.111, Contractor agrees that Contractor, any subcontractor, and any person acting on behalf of Contractor or subcontractor, will not discriminate, by reason of race, color, religion, sex, age, disability, national origin, military status or ancestry against any citizen of this state in the employment of any person qualified and available to perform the work under this Agreement. Contractor further agrees that Contractor, any subcontractor and any person acting on behalf of Contractor or subcontractor will not, in any manner, discriminate against, intimidate, or retaliate against any employee hired for the performance of work under this Agreement on account of race, color, religion, sex, age, disability, national origin, military status or ancestry. Contractor represents that it has a written affirmative action program for the employment and effective utilization of disadvantaged persons and will file a description of that program and a progress report on its implementation with the equal employment opportunity office of the department of administrative services. Contractor and any of its subcontractors are encouraged to use MBE and EDGE vendors to assist in completing the work under this Agreement.

12. No Unfair Labor Practice Findings. Contractor warrants and represents that neither it nor any or its subcontractors are listed with the Secretary of State for unfair labor practices, pursuant to ORC 121.23.

13. Forbearance. No act of forbearance or failure to insist on the prompt performance by Contractor of its obligations under this Agreement, either express or implied, will be construed as a waiver by Sponsor of any of its rights hereunder.

14. Indemnification. The Contractor agrees to indemnify and to hold the Sponsor and State of Ohio harmless and immune from any and all claims for injury or damages arising from this Agreement and the Contractor’s performance of the obligations or activities in furtherance of the Agreement which are attributable to the Contractor’s own actions or omissions or those of its trustees, officers, employees, subcontractors, suppliers, third parties utilized by the Contractor, or joint venturers while acting under this Agreement. Claims that the Contractor will indemnify the Sponsor and State of Ohio include, but are not limited to, any claims made under the Fair Labor Standards Act or under any other federal or state law involving wages, overtime, or employment matters and any claims involving patents, copyrights, and trademarks. The Contractor will bear all costs associated with defending the Sponsor and the State of Ohio against any claims.

15. Ohio Ethics Laws. Contractor, by its signature on this document, certifies: (1) it has reviewed and understands the Ohio ethics and conflict of interest laws including, without limitation, ORC 102.01 et seq., 2921.01, 2921.42, 2921.421, 2921.43, and 3517.13(I) and (J); and (2) it has taken and will not take any action inconsistent with those laws, as any of them may be amended or supplemented from time to time.

16. Drug-Free Workplace Compliance. In the event that work performed pursuant to the terms of this Agreement will be done while on state property, Contractor hereby certifies that all of its employees, while working on state property, will not purchase, transfer, use or possess illegal drugs or alcohol or abuse prescription drugs in any way.

17. Adherence to State and Federal Laws, Regulations. Contractor agrees to comply with all applicable federal, state, and local laws in the conduct of the work under this Agreement. Contractor and its employees are not employees of Sponsor with regard to the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code and for state revenue and tax laws, state workers’ compensation laws and state unemployment insurance laws. Contractor accepts full responsibility for payment of all taxes including, with limitation, unemployment compensation insurance
premiums, all income tax deduction, social security deductions, and any and all other taxes or payroll deductions required for all employees engaged by Contractor in the performance of the work authorized by this Agreement. Contractor is solely responsible for obtaining its own workers’ compensation coverage for itself and its employees. Sponsor is exempt from federal, state and local taxes and will not be liable for any taxes under this Agreement.

18. **Unresolved Findings.** Contractor warrants that it is not subject to an unresolved finding for recovery under O.R.C. 9.24. If this warranty is deemed to be false, this Agreement is void *ab initio* and the Contractor must immediately repay to the Sponsor any funds paid under this Agreement. Contractor further warrants that it has no outstanding final judgments against it by the State, including tax liabilities, and agrees that any payments incurred by the State in this Agreement may be applied against any outstanding judgments or liabilities currently owed to the State or incurred by the State in the future.

19. **Conflict of Interest.** Contractor certifies that it does not have on its staff, payroll, or otherwise employed for monetary compensation or not, any employee who, within the past twelve months, was a public official or employee with Sponsor or any other board, commission or agency of the State of Ohio who had the ability to make decisions regarding approval, disapproval, recommendation, rendering advice, investigation or otherwise exercised substantial administrative control over matters concerning Contractor at the time of his or her state employment. Further, no personnel of Contractor, subcontractor of Contractor or personnel of any such subcontractor, or public official who exercises any functions or responsibilities in connection with the review or approval of any work completed under this Agreement will, prior to the completion of such work, voluntarily or involuntarily acquire any personal interest, direct or indirect, which is incompatible or in conflict with the discharge or fulfillment of his functions or responsibilities with respect to the completion of the work contemplated under this Agreement. Any such person, who, prior to or after the execution of this Agreement, acquires any personal interest, involuntarily or voluntarily, must immediately disclose his interest to Sponsor in writing. Thereafter, the affected person will not participate in any action affecting the work under this Agreement unless Sponsor determines that, in light of the personal interest disclosed, their participation in that action would not be contrary to the public interest.

20. **Force Majeure (Excusable Delay).** As used in this Agreement, the term “force majeure” includes all events that cause delay in the performance under that Agreement due to events or causes beyond its or its subcontractor’s control and without its or its subcontractor’s negligence or fault. For purposes of this section, the term “force majeure event” includes without limitation, the following: (1) Acts of God, such as epidemics, pestilence, lightning, earthquakes, fires, storms, hurricanes, tornadoes, floods, washouts, droughts, or other severe weather disturbances; (2) other events or causes that could not be foreseen in the exercise of ordinary care and beyond the reasonable control of the affected party, such as explosions, restraining of government and people, war, strikes, and other similar events or causes.

If the Sponsor or the Contractor cannot perform any part of its obligations under this Agreement because of force majeure, that party is excused from those obligations, to the extent that performance is prevented by the force majeure event and that party took all commercially reasonable steps to mitigate or avoid the effects of the force majeure event. If there is only a delay in performance, such delay may extend only for that time lost because of the force majeure event. At any time a party is unable to perform those above-referenced obligations, it must also do the following:

a) Promptly notify the other party, in writing, of any material delay in performance due to a specified force 21

b) majeure event;

c) Provide detailed information of the force majeure event;

d) Provide a proposed revised performance date to make up for performance delays due to the force majeure event. When applicable, the revised schedule must provide for performance time not to exceed the time lost as a result of the force majeure event.

21. **Prohibition Of The Expenditure Of Public Funds For Offshore Services.** No State Cabinet Agency, Board or Commission will enter into any contract to purchase services provided outside of the United States or that allows State Data to be sent, taken, accessed, tested, maintained, backed-up, stored,
or made available remotely outside (located) of the United States, unless a duly signed waiver from the State has been attained. Notwithstanding any other terms of this Agreement, the Sponsor reserves the right to recover any funds paid for services the Contractor performs outside of the United States for which it did not receive a waiver. The Sponsor does not waive any other rights and remedies provided to the Sponsor in the Agreement.

Further, no State agency, board, commission, State educational institution, or pension fund will make any purchase from or investment in any Russian institution or company. Notwithstanding any other terms of this Agreement, the Sponsor reserves the right to recover any funds paid to Contractor for purchases or investments in a Russian institution or company in violation of this paragraph. The provisions of this paragraph will expire when the applicable Executive Order is no longer effective.

The Contractor must complete the Contractor/Subcontractor Affirmation and Disclosure Form affirming the Contractor understands and will meet the requirements of the above prohibition. During the performance of this Contract, if the Contractor changes the location(s) disclosed on the Affirmation and Disclosure Form, Contractor must complete and submit a revised Affirmation and Disclosure Form reflecting such changes.
