## A. Ohio LIHTC Overview

### Purpose

The state of Ohio Low-Income Housing Tax Credits (Ohio LIHTC) are a state supplement to the federal Low-Income Housing Tax Credits (LIHTC) designed to create additional housing units that would not have otherwise been created with other state, federal, or private financing throughout state fiscal years (SFY) 2024 to 2027 (July 1, 2023 to June 30, 2027). Modeled after the federal LIHTC, Ohio LIHTC allows owners of qualifying affordable rental projects to claim tax credits against certain state taxable liabilities over a 10-year Credit Period. These credits are then exchanged by investors and syndicators for equity to help develop affordable rental housing throughout the state.

In SFY 2027, OHFA will implement Ohio LIHTC exclusively as gap financing on 4% LIHTC New Affordability proposals that would not otherwise be financially feasible without the addition of Ohio LIHTC. Because 4% LIHTC are worth less than half of a congruent amount of limited 9% LIHTC—all else equal—OHFA will use Ohio LIHTC to bolster the financial feasibility of 4% LIHTC affordable rental housing proposals and further incentivize use of 4% LIHTC, which, unlike 9% LIHTC, are exempt from the annual state LIHTC ceiling under [26 U.S.C. §42\(h\)\(2\)\(B\)](#).

### Definitions

New Affordability developments are those in which all residential units are newly constructed and/or adaptively reused, where “adaptive reuse” means converted and updated or adapted for a new purpose. In determining whether an adaptive reuse project qualifies for the program, OHFA will consider (1) whether the project is being converted from a prior, primarily non-residential use and, if not, (2) whether the existing structure has been designated by an agency that is responsible for the enforcement of housing, building, or fire codes as unfit for human habitation, such that the project would create new housing units that were previously unavailable.

### Ohio LIHTC

*Ohio Revised Code: [R.C. 175.16](#)*

*Ohio Administrative Code: any provisions enacted at a subsequent date.*

The Ohio LIHTC program was created by the Ohio Legislature’s 135 General Assembly through R.C. 175.16 of [Am. Sub. H.B. No. 33](#). The Ohio Housing Finance Agency (OHFA) serves as the allocating entity for Ohio LIHTC. Under state statute, OHFA may reserve Ohio LIHTC from July 1, 2023, through June 30, 2027. Unless otherwise reauthorized, the Ohio LIHTC program will sunset on June 30, 2027. Per [R.C. 175.16\(C\)](#), Ohio LIHTC are limited by a state statutory credit ceiling of \$100 million per state fiscal year, net of the amount by which the prior year’s credit cap exceeded the credits reserved by the OHFA Executive Director in that year, if applicable. The \$100 million annual credit cap is the full 10-year Credit Period amount.

Per [R.C. 175.16\(B\)](#), Ohio LIHTC must be paired with affordable rental housing proposals that have secured a reservation of LIHTC pursuant to the applicable Qualified Allocation Plan (QAP). Specifically, 4% LIHTC projects must receive a 42(m) Letter of Eligibility from OHFA under the most recent [4% LIHTC QAP](#) before formally committing Ohio LIHTC. OHFA is required to size the Ohio LIHTC in an amount necessary—when combined with the federal LIHTC—to ensure financial feasibility of the proposed project; therefore, it is not an automatic credit and may only be used as “gap financing”, or funding that helps bridge the difference between total development costs and other sources.

Although Ohio LIHTC must be paired with federal LIHTC, equity investors (referred to as “equity owners” in the statute) need not overlap. Per [R.C. 175.16\(f\)\(5\)](#), Ohio LIHTC equity owners need only to have

acquired a partnership interest prior to claiming the credit, irrespective of whether the equity owner would be eligible to receive federal LIHTC.

## **Federal 4% LIHTC**

For information on 4% LIHTC and 26 U.S.C. §142(d) tax-exempt residential rental private activity bonds (PABs), see the most recently published [\*\*4% LIHTC QAP\*\*](#).

## **Ohio Housing Trust Fund (OHTF)**

OHFA will utilize Ohio Housing Trust Fund (OHTF) resources as gap financing in the Ohio LIHTC program to help applicants of 4% LIHTC-funded properties achieve financial feasibility in the rural counties. The Ohio Department of Development (Development) serves as the administering agency for these resources. OHFA allocates such resources through a subgrant agreement with Development. These resources help to close the financing gap between total development costs (TDC) and sources such as 4% LIHTC equity, first mortgage debt, deferred developer fee, and other funding, if applicable.

OHTF resources are structured as “soft” loans, payable only if cash flow is available from ongoing property operations during the term of the loan. By structuring it this way, OHTF allocations do not reduce the ability of a project to maximize first mortgage debt.

\*FAQ answers posted will clarify and modify the Guidelines and will be considered during the program round.

OHFA will clarify and issue responses to commonly posed questions regarding the QAP through a Frequently Asked Questions (FAQ) document that will be posted on the OHFA website. The FAQ, as well as the OHFA LIHTC Rental Underwriting Guidelines, Design and Architectural Standards, and Affordable Housing Funding Application (AHFA) are specifically incorporated herein and binding on all applicants. Notwithstanding the foregoing, errors and omissions in the AHFA are not binding on OHFA and do not modify the QAP.

Applications for a particular project may only be submitted in one round at a time (4% LIHTC with Ohio LIHTC or 4% LIHTC only). OHFA encourages applicants to carefully consider which round best suits the financial needs of the proposed project. Any project on the waitlist submitting in another round, will be removed from the waitlist.

## C. Application Process

Applicants shall see the 4% LIHTC Qualified Allocation Plan (QAP) for submission instructions. Notification of uploads shall be sent to [StateTaxCredit@ohiohome.org](mailto:StateTaxCredit@ohiohome.org).

### Experience and Capacity

Experience and Capacity **must be completed prior to the Ohio LIHTC proposal application**. OHFA will require an Experience and Capacity package submitted via the FTS. Applicants will not be allowed to submit an Ohio LIHTC proposal application unless Experience and Capacity has been approved prior to the proposal application by OHFA staff. The [Experience and Capacity Standards Policy](#) outlines the minimum eligibility and evaluation criteria. The Experience and Capacity package is available on the OHFA website. Please note that lack of access to the FTS site due to pending access approval will **not** be accepted as a reason for late submission. OHFA encourages applicants to submit Experience and Capacity as least 30 days prior to the proposal application deadline to allow OHFA staff time to process.

A development entity that has been approved, must submit its approval letter provided by OHFA with the proposal application. Applicants must disclose changes to any entity between the Experience and Capacity review and proposal and/or final application. OHFA may disqualify applications that do not maintain the core competency and experience necessary to successfully develop and manage a project.

### Ex Parte Discussions

After submission of the Proposal Application through OHFA Board approval final application invitees, no staff member working on the application review or OHFA Board member shall discuss the merits of the application with any entity identified in the Development Team Entity Identification spreadsheet or the Affordable Housing Funding Application (AHFA), unless all similarly-situated applicants have been notified and given the opportunity to be present or to participate by telephone, unless it is an official communication and response as provided for in the Program Calendar or a full disclosure of the communication insofar as it pertains to the subject matter of the application is made publicly on the OHFA application webpage.

When an *ex parte* discussion occurs, either verbally or in writing, a representative of the applicant or applicants participating in the discussion shall prepare a document identifying all the participants and the location of the discussion, and fully disclosing the communications made. Within two business days of the occurrence of the *ex parte* discussion, the document shall be provided to the OHFA chief legal counsel or their designee. Upon completion of the review, the final document, with any necessary changes, shall be publicly made available and communicated to all applicants. The document shall include the following language:

*Any participant in the discussion who believes that any representation made in this document is inaccurate or that the communications made during the discussion have not been fully disclosed shall prepare a letter explaining the participant's disagreement with the document and shall file the letter with the chief legal counsel of OHFA who will transmit the letter to all known applicants and make it publicly available within two business days of receipt of this document.*

Failure of any staff member working on the application review process or OHFA Board Member or their designee to abide by this section may, at the discretion of the OHFA Board, lead to that individual's removal from the application review process and final award.

## Proposal Application and Final Application Submission Disclaimer

All Proposal Application and Final Application materials submitted become the property of OHFA and shall be public information unless a statutory exception exists which would thereby determine that such information cannot be released to the public. If information in your Proposal Application or Final Application has a good faith legal basis for an exemption to the public records laws, each and every occurrence of the information must be identified in the Proposal Application and/or Final Application on a separate page titled "Exemptions to the Public Records Law" and clearly label the material as such. OHFA may publicly post materials received.

## Proposal Application

OHFA requires a Proposal Application package submitted via the FTS by the date listed in the Program Calendar. Proposal applications may be uploaded only once. If it's necessary to make changes prior to the deadline, applicants shall first seek OHFA approval of any subsequent uploads. The proposal package includes the items detail in [Appendix A: Submission Requirements](#)

### Threshold, Exception Requests, and Scoring Review

OHFA staff will provide applicants with a written summary of any identified deficiencies with experience and capacity, lien and litigation for the county of the project site, and threshold deficiencies in the Proposal Application. In accordance with the Program Calendar, applicants will be provided a brief cure period to submit corrections, which may include documentation not previously submitted. Any additional information submitted during the cure period will be used solely for experience and capacity deficiencies and will not be used in determining the final competitive score, if applicable. **Any applicant who fails to correct identified deficiencies during this period may be removed from consideration.**

OHFA staff will review competitive scoring documentation submitted with the Proposal Application against the applicant's "self-score". Once complete, OHFA will send preliminary competitive scoring to the applicant. Applicants have until the date listed in the Program Calendar to appeal OHFA's preliminary score for any competitive scoring reductions for specific criteria. Applicants may not provide any additional documentation for competitive criteria. Applicants may only state where, in the original submission, documentation was provided. If the applicant does not respond to OHFA's preliminary score by the deadline, OHFA's preliminary score will become final.

Following receipt of applicant responses to OHFA's preliminary scoring, OHFA staff will review the submitted information and determine whether any previously applied scoring reductions warrant reinstatement. Final scoring determinations will be documented on the competitive scoring worksheet.

Upon finalization of all Proposal Application scores, applications will be ranked within each funding pool and sub-pool based on score. The highest-ranked proposals will be invited to submit a Final Application until all available Ohio LIHTC resources have been allocated.

After the funding pools have been fulfilled, OHFA will ensure that each designated set-aside is represented by at least one project within either funding pool. In the event a set-aside is not satisfied, OHFA will reallocate resources by removing the lowest-scoring project from the applicable funding pool and replacing it with the next highest-scoring project that meets the requirements of the set-aside. Note: Strategic Initiative set asides are not awarded based on score but meeting the criteria of the set-aside.

## Invitations to submit a Final Application

OHFA will present projects invited to submit a Final Application and a waitlist to the OHFA Board on the date indicated in the Program Calendar. Following OHFA Board presentation, a spreadsheet of all projects invited to submit a Final Application will be uploaded to the [Pending Applications & Funded Projects Website](#). Applicants who are advancing will receive a formal invitation to submit a Final Application, which will include the potential amount of funding. An invitation to submit a final application does not assure a commitment of OHFA resources; a Final Application must be received, all threshold and underwriting requirements must be met, and the project must receive OHFA Board approval prior to a reservation of funds.

## Final Application Process

### Submission Requirements

All Final Application submission items can be found in [Appendix A: Submission Requirements](#). Final applications must match the proposal application and will not be considered if there are reductions in the number of units, bedrooms, bedroom mix, or scoring amenities. If invited to submit a Final Application, the Final Application process involves three or four major steps:

#### **(1) Full Threshold, Underwriting, and Architectural Review**

Final Applications must be submitted via the Agency's FTS by the deadline noted in the Program Calendar. Applicants are welcome to submit a Final Application earlier than the deadline. Any applications submitted in a manner out of compliance with the Program Calander Deadlines may be removed from consideration for that sole reason. Following receipt of a Final Application, OHFA analysts will complete a full Threshold and Underwriting Review. This review involves a comprehensive analysis of the project's compliance with the most recent [Multifamily Rental Underwriting Guidelines](#), the threshold requirements outlined in these Guidelines, and the most recent 4% LIHTC QAP. Additionally, OHFA analysts will review the Final Application to ensure that competitive scoring upon which the application was selected continues to be met. The assigned OHFA analyst will draft a review letter detailing any deficiencies. Applicants will have two weeks to cure any outlined deficiencies. Unless otherwise stated, deficiencies must be cured; otherwise, the application will not move forward to OHFA Multifamily Committee and Board approval. If not invited to move forward through the approval process, OHFA will notify the applicant and then contact the next highest-scoring project in the same funding pool or subpool on the waitlist.

Concurrently, OHFA staff will perform an architectural review for compliance with the most recent [Design and Architectural Standards](#) (DAS). Without architectural Conditional Approval, the application will not move forward to OHFA Multifamily Committee and Board approval.

#### **(2) OHFA Multifamily Committee and Board Approval**

All projects that have successfully completed Threshold and Underwriting Review must seek and secure OHFA Multifamily Committee recommendation and Board approval. The OHFA Multifamily Committee and Board monthly calendar can be found on the [OHFA Board Website](#). Once scheduled for a specific month, the assigned OHFA analyst will work with the applicant to complete an Executive Summary, which provides summary information about the project to the OHFA Multifamily Committee and Board. Once complete, the Executive Summary will be posted to [OHFA's BoardDocs Website](#). Applicants are required to attend the Multifamily Committee and Board meeting either in person or virtually. If funding is approved by the Board, the funding is reserved.

### **(3) Ohio LIHTC Commitment**

Following (1) Board approval of Ohio LIHTC, (2) receipt of bond inducement resolution approval from OHFA or another qualified issuer meeting the requirements of [\*\*26 C.F.R. §1.150-2\(e\)\*\*](#) for 26 U.S.C. §142(d) residential rental private activity bonds in an amount sized at no less than 25% of aggregate basis and land, and (3) issuance of a 42(m) Letter of Eligibility, OHFA will enter into an Ohio LIHTC commitment with the overall LIHTC ownership entity.

Once an Ohio LIHTC Commitment is executed with the LIHTC ownership entity, the project will be transitioned to a Project Administration analyst. The assigned analyst will guide the development team through the construction, draw, 8609 and closeout process. Requirements are posted on the OHFA [\*\*Project Administration webpage\*\*](#).

### **(4) OHTF Closing for Eligible Developments located in Rural Counties**

OHFA will not issue a funding agreement for the OHTF award until 1) Board approval, and 2) until OHFA's legal department has determined that all required due diligence has been submitted. Due Diligence shall be submitted before requesting a closing date, as described in the OHFA Loan Closing Procedures document on the [\*\*OHFA Loan Closing webpage\*\*](#). All due diligence must be submitted in the form required by the due diligence checklist no later than 30 days prior to the estimated loan closing date.

Below are estimated terms and deadlines for projects awarded OHTF funding:

• Closing/Commitment Deadline	<u>May 31, 2028</u>
• Construction Commencement Deadline:	<u>1 year after OHFA Board approval of OHTF</u>
• Construction Completion Deadline:	<u>December 31, 2029</u>
• Final Draw Deadline:	<u>March 1, 2030</u>
• Final Performance Report Deadline:	<u>March 1, 2030</u>

See Appendix D: Construction Completion and Project Operations of the 4% LIHTC QAP, for next steps.

## **Claiming Ohio LIHTC**

In accordance with [\*\*R.C. 175.16\(D\)\*\*](#), upon submitting the final owner cost certification and documentation evidencing the placed-in-service date required as part of the referenced 8609 submission, OHFA will compute the annual Ohio LIHTC amount and issue an Ohio LIHTC Credit Certificate to the project ownership. Per [\*\*R.C. 175.16\(E\)\*\*](#), each Ohio LIHTC Credit Certificate must include the following information:

- The annual Ohio LIHTC amount;
- The years that comprise the 10-year Credit Period; and
- For each project owner, the following information
  - The entity name
  - The date the Ohio LIHTC Credit Certificate was issued
  - A unique identifying number
  - Any additional information prescribed by any rules adopted under [\*\*R.C. 175.16\(H\)\*\*](#).

OHFA will send copies of the Ohio LIHTC Credit Certificate to the Ohio Department of Taxation during each year of the 10-year Ohio LIHTC Credit Period.

## Recapture of Ohio LIHTC

Pursuant to [\*\*R.C. 175.16\(G\)\*\*](#), if any portion of allocated federal LIHTC is recaptured under [\*\*26 U.S.C. §42\(j\)\*\*](#) or is otherwise disallowed, OHFA will recapture a proportionate amount of Ohio LIHTC for the project in coordination with the Ohio Department of Taxation or Ohio Department of Insurance.

## D. Threshold Requirements

### Compliance with Other OHFA Policy Documents

Except as specifically waived or modified in these Guidelines, applications must comply with the following most recently published Agency Guidelines:

- [4% LIHTC QAP](#)
- [2026 Experience and Capacity Standards](#)
- [2026 Multifamily Rental Underwriting Guidelines](#)
- [Design and Architectural Standards \(DAS\)](#)
- [Multifamily Bond Guidelines](#)
- [Housing Development Loan \(HDL\) Program Guidelines](#), if seeking HDL

### Ineligible Projects

Projects ineligible to be submitted in the Ohio LIHTC round include, but may not be limited to, the following:

- Projects with an existing reservation of OHFA-administered resources, including, but not limited to, LIHTC or Housing Development Assistance Program (HDAP) as evidenced by a 42(m) Letter of Eligibility or an HDAP reservation or Funding Agreement executed within the past two calendar years as of the first day Proposal Applications may be submitted referenced in the Program Calendar.
- Projects that include any residential units that will be rehabilitated.
- Projects that involve Affordable Assisted Living (AAL).

### Maximum Ohio LIHTC Requests

Per [R.C. §175.16\(D\)\(1\)](#), the Ohio LIHTC request may not exceed the amount of the federal LIHTC generated in the first year of the 10-year LIHTC Credit Period if not for the adjustment referenced in [26 U.S.C. §42\(f\)\(2\)](#). Additionally, **no more** than the below amounts may be requested. No Exception Requests may be submitted to exceed such maximum requests.

Funding Pool	Maximum Annual Ohio LIHTC Request	Maximum 10-Year Ohio LIHTC Request
Metropolitan County	Lesser of \$1,000,000 or the annual federal LIHTC generated	Lesser of \$10,000,000 or the 10-Year federal LIHTC generated
Rural County	Lesser of \$1,250,000 or the annual federal LIHTC generated	Lesser of \$12,500,000 or the 10-Year federal LIHTC generated

### Maximum OHTF Request for Projects Located in Rural Counties

Applicants of projects located in rural counties may request the lower of (1) \$4 million in Ohio Housing Trust Fund (OHTF) resources or (2) the maximum amount based on the federally-mandated HOME per-unit maximum subsidy at the time of application on Assisted Units per [24 C.F.R. §92.250\(a\)](#) and [CPD-15-](#)

003 or (3) the amount necessary to ensure financial viability of the proposed project over the 15-year Compliance Period.

Bedrooms	2024* Ohio HOME Per Unit Maximum
0	\$181,488
1	\$208,048
2	\$252,993
3	\$327,922
4+	\$359,263

\*OHFA will utilize 2026 Ohio HOME Per Unit Maximum for applications once published by HUD.

## Maximum HDL Request

In accordance with page 4 of the [Housing Development Loan \(HDL\) Guidelines](#), the maximum amount of HDL an applicant can apply for in the SFY 2027 Ohio LIHTC round is \$2,500,000 per project.

## Application Limits

Over SFY 2027, OHFA will limit the number of Ohio LIHTC commitments any one lead developer and/or co-developer in a respective development team can submit and receive based on the following standards:

	Maximum Proposal Application Submissions	Maximum Invitations to Submit a Final Application
Development Entities meeting OHFA Experience and Capacity Requirements and successfully placed in service <u>at least one</u> 4% LIHTC deal <b>in Ohio over the past 10 years</b> as of the date of the Proposal Application indicated in the Program Calendar.	3	2
Development Entities meeting OHFA Experience and Capacity Requirements that have not successfully placed in service at least one 4% LIHTC deal in Ohio over the past 10 years but have successfully placed in service <u>at least one</u> LIHTC deal <b>in Ohio or another state over the past 10 years</b> as of the date of the Proposal Application deadline indicated in the Program Calendar.	2	1

## Cost Containment

Applicants will be required to meet the Agency's [2026 4% LIHTC Cost Containment Standards](#). Applicants must use the TDC/Unit and TDC/gross square foot (GSF) caps that aligns with the correct geography. OHFA will evaluate projects to ensure compliance at Proposal Application, Final Application and 8609 submission. Projects that do not demonstrate compliance with the caps will be removed from consideration unless an Underwriting Exception Request is submitted. Cost Containment Underwriting Exception Requests will only be considered for the following reason(s): if one of the two cost containment standards fails to be met, but can be explained (e.g., larger unit sizes, less common space, scattered-site developments, Davis-Bacon wage rates, etc.).

## Developer Fee Limit

### Maximum Budgeted Developer Fee

The maximum budgeted developer fee for the Ohio LIHTC program is 20% of the project's LIHTC eligible basis net of the calculation below:

Developer fee is calculated as the sum of the following fees:

- Developer fee
- Application/development consultant fees
- Construction management fees
- Guarantee fees
- Developer-charged financing fees
- Developer-charged asset management fees

### Maximum Paid Developer Fee

Paid developer fee may not exceed 70% of the budgeted developer fee. The maximum budgeted developer fee is referenced in the most recently published [4% LIHTC QAP](#). Paid developer fee is calculated as follows:

Paid Developer Fee = Budgeted Developer Fee – Deferred Developer Fee – General Partner Capital Contributions – General Partner Loan

## Exception Requests

OHFA will accept Exception Requests as outlined in the [4% LIHTC QAP, Multifamily Rental Underwriting Guidelines, Design and Architectural Standards](#), and those outlined specifically in these Guidelines. Applicants must submit Programmatic and Underwriting Exception Requests with the Proposal Application as outlined in the Program Calendar. Design Exception Requests are submitted with the Final Application. Exception Requests must be submitted on the Exception Request Form, which will be made available with other application materials on the 4% LIHTC with Ohio LIHTC Program [website](#).

## Fees

Application fees must be paid using Automated Clearing House (ACH) by the Proposal Application and Final Application deadline, as applicable. OHFA will not accept checks. Payments should be submitted via your bank. **ACH payment instructions are posted on the FTS site. Proof of application fee payments are due at both proposal application and final application submission.** Non-refundable fees noted below must be submitted with the respective item.

Fee Type	Fee Amount
Proposal Application Fee	\$2,500
Final Application Fee	\$2,500
Bond Issuance Fee	1/10 of 2% of the bond amount OR \$3,000, whichever is greater
HDL Application Fee ( <i>at Final Application, if applicable</i> )	See the <a href="#">most current HDL Guidelines</a>
Amendments to an OHTF funding agreement	\$1,000 per request
Extensions of an OHTF funding agreement	\$1,000 per extension
Federal LIHTC Reservation Fee	6% of annual LIHTC
Compliance Monitoring Fee	\$2,550/unit

## Related-Party Acquisitions

If a proposed project includes acquisition costs stemming from the purchase of land and/or buildings owned by a related party of the development team, the applicant must submit documentation demonstrating adherence to the following conditions:

### Seller Financing

The maximum seller note amount may be sized no larger than the lower of (1) the purchase price or (2) the as-is restricted appraised value.

### Cash Out to a Related-Party Seller

No consideration to a related-party seller (cash out to seller) is permitted. For new construction projects, if the existing related party-owned land is not generating income, then cash out to seller is allowed.

Cash out to seller is calculated as follows:

Cash out to seller = as-is restricted appraised value of the property – payoff of debt from unrelated parties – seller note

To demonstrate compliance with OHFA's prohibition on cash out to seller, applicants must provide the following information at Proposal Application and at Final Application:

- The most recent audited financial statements of the property to be acquired,
- Current and projected balances on existing debt as of the estimated financial closing date; and
- Current and projected reserve balances as of the estimated financial closing date.

Additionally, at least two weeks prior to closing on OHTF, the applicant must provide the most up-to-date settlement statement for OHFA to review and approve. OHFA may request additional information to demonstrate such compliance.

Holding costs, broker fees, deferred management fees, deferred maintenance or similar costs will not be reimbursed through seller cash out.

## E. Geographic Distribution and Funding Pools

OHFA will target two geographic funding pools, with sub-pools, and set asides. The funding pools will be fulfilled first. Upon fulfillment of the funding pools, OHFA will make sure the set-asides are fulfilled by at least one project in either of the funding pools. If a set-aside is not fulfilled, OHFA will reallocate the lowest scoring project in the appropriate funding pool to the next highest scoring project for subject set aside.

### Ohio LIHTC Allocating Process

1. Fulfill funding pools – The geographic funding pools will be fulfilled first. Applications will be ranked within each funding pool and sub-pool based on score. The highest-ranked proposals will be invited to submit a Final Application until all available Ohio LIHTC resources have been allocated.
2. Ensure set asides are represented – After funding pools are fulfilled, OHFA will confirm that each set aside has been fulfilled. One project can fulfill more than one set aside. Set asides will be fulfilled in the following order:
  - a. Appalachian set aside
  - b. Single Family Rental Housing
  - c. Transformative Economic Development
  - d. Strategic Initiative
3. Reallocate if necessary – If a set aside is not fulfilled during the initial scoring and ranking of the funding pools OHFA will:
  - a. Remove the lowest scoring project from the relevant funding pool;
  - b. Replace it with the next highest scoring project that meets the needed set aside requirements

Note, the Strategic Initiative set aside is not based upon scoring and is at the discretion of the OHFA Board and leadership.

### Geographic Distribution

#### County Limits

Given limited Ohio LIHTC resources in SFY 2027, counties may not receive more than two invitations to submit a final application unless doing so is necessary to meet one of the following set asides or to fully utilize its annual credit cap.

When projects in different subpools (general occupancy and senior) are competing for the same county limit, the tiebreakers will be applied to decide if the general occupancy or senior project fulfills the county limit.

#### Rural Project Scattered Site Option

OHFA will allow scattered site rural projects to extend over county lines within the same Metropolitan Statistical Area (MSA) to allow for a financially feasible project.

#### Census Tract Limiter

To increase geographic distribution, census tracts will be limited to one award per program year.

## Set Asides

### Appalachian Set Aside

OHFA will invite the highest-scoring housing development to submit a final application meeting the Agency's proposal application requirements located in an Ohio Appalachian County<sup>1</sup>.

### Single Family Rental Housing

OHFA will invite at least two projects which have a building type of single family. OHFA will establish a separate cost containment standard for total development cost (TDC) per unit and cost per gross square foot for these developments. To qualify for the set aside, more than 50% of the units must be single family building style, and all building types in the development must be single-family, 1, 2, or 3-family dwelling, or townhome. OHFA will select one single family rental housing project in the rural funding pool and one from the metro funding pool.

### Strategic Initiative

OHFA will invite no more than two housing developments meeting the Agency's proposal application requirements to submit a final application. The project must complete the Strategic Initiative narrative in the AHFA to be considered. The project must include how it addresses a documented need, description of project's proposed impact on the community, and a connection to workforce demand. Decisions will be made at the OHFA Board's sole discretion considering OHFA staff recommendation, but preference will be given to:

- Projects in counties having not received a New Affordability LIHTC reservation (9% or 4% LIHTC) in the last five years; program years 2021-2025, or
- Proposals meeting a quantifiable need and targeted policy and/or geographic areas left underserved through the competitive selection process,

The project must demonstrate local support from any municipal corporation in which the project is proposed to be constructed or that is within one-half mile of the project's boundaries, including support from their County. Additionally, the project must include how it addresses a documented need, description of project's proposed impact on the community, and a connection to workforce demand. Letters of support or a resolution are required from the municipal corporation in which the project is proposed to be constructed or that within one-half mile of the project's boundaries. Support letters, resolutions and/or any other supporting documentation must be provided in the Competitive Support Documentation file.

### Transformative Economic Development

OHFA will reserve Ohio LIHTC resources for the highest-scoring general occupancy project located within the specified range of an approved Megaproject as designated by the Ohio Tax Credit Authority within the last two years (from Proposal Application date) with 2,000 or more permanent jobs committed to the project. If the Megaproject is located in a metropolitan county, the housing development must be located within 15 miles. For a Megaproject located in a rural county, the housing development must be located within 20 miles.

To be eligible for this set aside, the Proposal Application must also include a letter of support from the local jurisdiction in which the project is to be located. A zoning confirmation letter or conditional financial commitment from the subject jurisdiction will not qualify as a letter of support.

---

<sup>1</sup> Ohio Appalachian Counties include the following: Adams, Ashtabula, Athens, Belmont, Brown, Carroll, Clermont, Columbiana, Coshocton, Gallia, Guernsey, Harrison, Highland, Hocking, Holmes, Jackson, Jefferson, Lawrence, Mahoning, Meigs, Monroe, Morgan, Muskingum, Noble, Perry, Pike, Ross, Scioto, Trumbull, Tuscarawas, Vinton, and Washington

## Funding Pools

OHFA will geographically target funding in two Funding Pools. Counties eligible under the New Affordability in a Rural County pool are those defined as rural or distressed as referenced in [R.C. §122.23](#). A map of the geographic categories can be found [here](#).

### (A) New Affordability in a Metropolitan County

*Allocation Goal: \$75,000,000 (75%) of total Ohio LIHTC*

Subpools: The subpools will follow the same competitive criteria but will be scored only against other projects submitted in the subpool.

*(1) General Occupancy: Approximately 70% of Metropolitan County Funding Pool*

General occupancy housing is that which is not restricted to any specific population, such as seniors.

*(2) Seniors: Approximately 30% of Metropolitan County Funding Pool*

To be eligible for this subpool, the majority of the units must be reserved for this population. Senior housing is that which is restricted to households with at least one member age 55 or above. In accordance with 42 U.S.C. §3607(a)(2) and 24 C.F.R. §100.304 properties that are restricted to households with at least one person age 55 or above can receive a Housing for Older Persons exemption from the Federal Fair Housing Act so long as, among other requirements, at least 80% of the total units are restricted to households with at least one person age 55 or above. Projects that are restricted to households with at least one person age 62 or above must be solely occupied by persons 62 years of age or older.

### (B) New Affordability in a Rural County

*Allocation Goal: \$25,000,000 (25%) of total Ohio LIHTC*

Subpools: The subpools will follow the same competitive criteria but will be scored only against other projects submitted in the subpool.

*(1) General Occupancy: Approximately 50% of Rural County Funding Pool*

General occupancy housing is that which is not restricted to any specific population such as seniors.

*(2) Seniors: Approximately 50% of Rural County Funding Pool*

To be eligible for this subpool, the majority of the units must be reserved for this population. Senior housing is that which is restricted to households with at least one member age 55 or above. In accordance with 42 U.S.C. §3607(a)(2) and 24 C.F.R. §100.304 properties that are restricted to households with at least one person age 55 or above can receive a Housing for Older Persons exemption from the Federal Fair Housing Act so long as, among other requirements, at least 80% of the total units are restricted to households with at least one person age 55 or above. Projects that are restricted to households with at least one person age 62 or above must be solely occupied by persons 62 years of age or older.

## F. Competitive Scoring

If the total requests for resources are less than the total funding available, OHFA will not competitively score applications that meet the Agency's Minimum Financial and Threshold review.

Scoring Criteria	Points	Maximum Points as a Percent of Total Points
1. Neighborhood Opportunity Index Housing Needs Index	10	17%
2. Annual Ohio LIHTC per LIHTC Unit	20	33%
3. Number of LIHTC units	20	33%
4A. Number of LIHTC Bedrooms (General Occupancy)	10	17%
4B. Senior Amenities (Seniors)		
<b>Total Points</b>	<b>60</b>	<b>100%</b>

### 1. Neighborhood Opportunity Index Housing Needs Index

**Maximum points: 10**

The Neighborhood Opportunity Index and Housing Needs Index are both worth 10 points, however the project score will be the higher of the two categories. Thus, if a project receives six points for Neighborhood Opportunity Index and a score of 10 in Housing Needs Index, the project will receive 10 points for the category.

#### Neighborhood Opportunity Index

Rationale: **The Neighborhood Opportunity Index is created** in partnership with the Urban Institute and will be updated on an annual basis to ensure the latest available data is used. Two Neighborhood Opportunity Indices have been created to identify opportunity based on the project's targeted population: General Occupancy and Senior.

The Neighborhood Opportunity – General Occupancy Index distills four critical categories of neighborhood opportunity with 20 total indicators into one Neighborhood Opportunity – General Occupancy Index Score number that aims to identify access to economic and social opportunity by individual Census Tracts. These categories include opportunity-rich and inclusive neighborhoods, high-quality education, rewarding work, and healthy environment and access to good healthcare.

The Neighborhood Opportunity – Senior Index distills three critical categories of neighborhood opportunity with 15 total indicators into one Neighborhood Opportunity – Senior Index Score number that aims to identify access to economic and social opportunity by individual Census Tracts. These categories include opportunity-rich and inclusive neighborhoods, rewarding work, and healthy environment and access to good healthcare.

Projects that serve seniors, must use the Neighborhood Opportunity – Senior Index. All other projects must use the Neighborhood Opportunity – General Occupancy Index.

The project has a Neighborhood Opportunity Index Score as delineated in the **2026-2027 Neighborhood Opportunity Index** and matches one of the following ranges.

Neighborhood Opportunity - General Occupancy Index		
Metropolitan	Rural	Points
> 55	> 47	10
> 47 to 55	> 41 to 47	7
> 37 to 47	> 34 to 41	4
0 to 37	0 to 34	2

Neighborhood Opportunity - Senior Occupancy Index		
Metropolitan	Rural	Points
> 60	> 50.5	10
> 53 to 60	> 45 to 50.5	7
> 44 to 53	> 38 to 45	4
0 to 44	0 to 38	2

#### How can points be demonstrated to OHFA?

Neighborhood Opportunity Index: The AHFA will automatically calculate the Neighborhood Opportunity Index score based on the project's location (majority of LIHTC units) within a 2020 Census Tract and the population served.

#### Housing Needs Index

Rationale: The Housing Needs Index is created in partnership with the Urban Institute and will be updated on an annual basis to ensure the latest available data is used. The Housing Needs Index distills three critical categories of Housing Need with four indicators total into one Housing Need Index Score, which aims to identify census tracts with the greatest housing need across Ohio. These categories include housing supply, affordable housing stock, and affordability.

The census tract's raw Housing Needs Index Score is delineated in OHFA's 2026-2027 [Housing Needs Index](#) and matches one of the following ranges.

Housing Need Index		
Metropolitan	Rural	Points
> 37	> 31	10
> 29 to 37	> 25 to 31	7
> 23 to 29	> 20 to 25	4
0 to 23	0 to 20	2

#### How can points be demonstrated to OHFA?

The AHFA will automatically calculate the Housing Needs Index score based on the project's location (majority of LIHTC units) within a 2020 Census Tract.

## 2. Annual Ohio LIHTC per LIHTC Unit

Maximum points: 20

Rationale: By providing an incentive for lowering the amount of Ohio LIHTC requested on a LIHTC unit basis, OHFA can bolster the number of affordable housing units created given the limited amount of Ohio LIHTC resources.

Annual Ohio LIHTC Request per LIHTC unit						
Metropolitan County		Rural County			Points	
\$8,750	or less	\$18,000	or less		20	
\$8,751	to	\$9,950	\$18,001	to	\$19,200	18
\$9,951	to	\$11,150	\$19,201	to	\$20,400	16
\$11,151	to	\$12,350	\$20,401	to	\$21,600	14
\$12,351	to	\$13,550	\$21,601	to	\$22,800	12
\$13,551	to	\$14,750	\$22,801	to	\$24,000	10
\$14,751	to	\$15,950	\$24,001	to	\$25,200	8
\$15,951	to	\$17,150	\$25,201	to	\$26,400	6
\$17,151	to	\$18,350	\$26,401	to	\$27,600	4
\$18,351	to	\$19,550	\$27,601	to	\$28,800	2
\$19,551	+		\$28,801	+		0

### How can points be demonstrated to OHFA?

The AHFA auto-calculates Ohio LIHTC per LIHTC unit and will therefore automatically calculate the competitive score for this criterion.

### 3. Number of LIHTC Units

Maximum points: 20

Rationale: By providing an incentive for number of units, OHFA can bolster the number of affordable housing units created given the limited amount of Ohio LIHTC resources.

Number of LIHTC Units				
Metropolitan County		Rural County		Points
100	+	50	+	20
95	to	99	48 to 49	18
90	to	94	46 to 47	16
85	to	89	44 to 45	14
80	to	84	42 to 43	12
75	to	79	40 to 41	10
70	to	74	38 to 39	8
65	to	69	36 to 37	6
60	to	64	34 to 35	4
55	to	59	32 to 33	2
54	or less	31 or less		0

#### How can points be demonstrated to OHFA?

The points will be calculated based on the LIHTC units entered in the AHFA and will therefore automatically calculate the competitive score for this criterion.

#### 4A. Number of LIHTC Bedrooms (*General Occupancy only*)

Maximum points: 10

Rationale: By providing an incentive for number of bedrooms, OHFA can bolster the number of affordable housing units created for families.

Number of LIHTC Bedrooms	
Percentage of total units with 3 or more bedrooms	Points
15.00%	10
12.50%	8
10.00%	6
7.50%	4
5.00%	2
0%	0

##### How can points be demonstrated to OHFA?

The points will be calculated based on the information entered in the AHFA and will therefore automatically calculate the competitive score for this criterion. Percentages will be rounded to the nearest tenth.

#### 4B. Senior Amenities (*Senior only*)

Maximum points: 10

Rationale: Amenities improve the tenant experience and can also drive improved marketability. Applicants may provide a combination of amenities to achieve the maximum points.

Senior Amenities	
Amenity	Points
Roll-in Showers in at least 80% of the units.	3
Outdoor walking path for residents which is at least 400 meters long.	3
Outdoor Patio: A minimum 400-square-foot, outdoor patio area for residents that is at least 50% covered.	3
Free Wi-Fi: Property-wide Wi-Fi at no cost to residents.	3
Towels bars installed in 100% of resident bathrooms structurally equivalent to grab bars (in-wall blocking to be load-bearing).	1
Benches provided beside all elevators on all floors.	1

##### How points will be demonstrated to OHFA at proposal application:

The points will be calculated based on the information entered in the AHFA and will therefore automatically calculate the competitive score for this criterion. Additionally, the applicant shall provide a signed certification of the amenities in the final application. If amenities do not match in the final application, the application will not be considered.

##### How points must be demonstrated to OHFA at final application to receive consideration:

The developer must provide a screenshot of the architectural plans in the Competitive Support Documentation and highlight the subject amenity.

For Wi-Fi, the AHFA operating budget must include the annual cost of providing Wi-Fi throughout the project, the AHFA Development Budget must include the initial cost of equipment and installation, and the applicant must provide a quote from an internet provider matching cost outlined in the AHFA.

## Tiebreakers

When two or more projects maintain the same competitive score, OHFA will use the following tiebreakers to determine the selection order:

1. Project is in a census tract which has not received a new affordability LIHTC\* award (or other geography if needed in the case of a tie, such as zip code) from past two program years (9% LIHTC and 4% LIHTC in 2024-2025 and Ohio LIHTC SFY 2025-2026)
2. Projects located in a county with the lowest number of New Affordability LIHTC\* units generated in the county over the past 5 years (2021-2025 calendar years)
3. Highest number of affordable housing units
4. Project with the lowest Ohio LIHTC per unit
5. Project with the lowest Ohio Housing Trust Fund per unit, if applicable
6. Highest number of bedrooms for subpool
7. Highest Area of Opportunity raw score
8. Highest number of ELI (30% AMGI) units
9. OHFA Discretion

\* New affordability includes 9% LIHTC and 4% LIHTC awards.

## G. Modification and Interpretation

OHFA's actions, determinations, decisions, or other rulings pursuant to these Guidelines are not a representation or warranty by OHFA as to a development's compliance with applicable legal requirements, the feasibility or viability of any development, or of any other matter whatsoever. These Guidelines are subject to modification pending developments in state law, federal law, and OHFA policy.

OHFA makes no representation that underwriting, threshold, architectural responses, or competitive decisions from a prior year will be determinative in future application rounds. Identical year-over-year submissions may receive differing treatment, with or without notice to an applicant, due to new insights gained during prior review periods, shifts in policy, the need for consistent in-year interpretation, increased applicant competition, or any other reason OHFA deems necessary.

OHFA will clarify and issue responses to commonly posed questions regarding these Guidelines through a Frequently Asked Questions (FAQ) document that will be posted on the OHFA website. The FAQ, as well as the OHFA LIHTC Rental Underwriting Guidelines, Design and Architectural Standards, and Affordable Housing Funding Application (AHFA) are specifically incorporated herein and binding on all applicants. Notwithstanding the foregoing, errors and omissions in the AHFA are not binding on OHFA and do not modify the QAP.

The allocation of Ohio LIHTC is made at the sole discretion of OHFA. OHFA will resolve all conflicts, inconsistencies, or ambiguities, if any, in these Guidelines or which may arise in administering, operating, or managing the reservation and allocation of Ohio LIHTC. This includes the interpretation of requirements and guidelines and the determination of a development meeting the intent of those requirements and guidelines. OHFA may modify or waive, on a case-by-case basis, any provision of these Guidelines that is not required by law. All such modifications or waivers are subject to written approval by the Executive Director, Senior Director of Housing Programs, or Director of Multifamily Housing.

Applicants should allow one month for OHFA to review and respond to Experience and Capacity submission.

Each entity of the Development Team must submit its approval letter on OHFA letterhead with the proposal application. Applicants must disclose changes to any entity between the experience and capacity review and proposal and/or final application. Changes to the Development Team and Ownership Structure are not permitted after Proposal Application unless otherwise approved by the 4% LIHTC Section Chief. Programmatic and Underwriting Exception Requests are due at Proposal while Design Exception Requests are due at Final Application. If a project encounters changes after submission of a Proposal Application—but before submission of a Final Application—which would require an Exception Request, the project may include such an Exception Request in the Final Application with sufficient justification demonstrating how the need for the request was unforeseen at the time of Proposal Application.

OHFA must approve any changes.

## 23. Market Study

When is this due?  Proposal Application  Final Application

Applications must include a market study conducted by an OHFA-approved market study professional updated or approved within 12 months of the application submission date. Refer to the [LIHTC Rental Underwriting Guidelines](#) for OHFA's market study requirements. The rent and income restriction breakdown must match those referenced in the submitted AHFA. **If any rent and income restrictions change between Proposal Application and Final Application, the market study must be updated at Final Application.**

All multi-site developments must be within the boundaries of a single Primary Market Area (PMA) other than the following exceptions:

- The market analyst determined that an entire county constitutes a single PMA.
- Scattered site Service Enriched developments that span multiple submarket areas if the Primary or Secondary Priority Letter specifies how supportive services will be provided in a manner that is accessible to all residents despite being geographically dispersed.
- Proposals seeking to combine multiple existing developments into one project for financing purposes with an explanation of the Sponsor and Management Agent's capacity to continue operating these properties under a single financing structure (may include documentation from other government entities giving permission to combine projects).

## 24. Multifamily Bond Financing Information

When is this due?  Proposal Application  Final Application

For OHFA-issued bonds, applicants must follow the [\*\*Multifamily Bond Guidelines\*\*](#). The Final Application must include a letter from the bond underwriter (if publicly offered) or the bond purchaser (if privately placed) detailing the following:

- responsible parties for closing the transaction, and
- the timeframe for approving OHFA-issued bonds (dates for inducement and final approval).

For non-OHFA issued bonds, an inducement resolution or final bond resolution must be submitted by the bond-issuing entity detailing the anticipated bond amount and the expiration date. Additionally, a letter from the bond underwriter (if publicly offered) or bond purchaser (if privately placed) must be provided detailing the following:

- the bond financing structure,
- cost of bond issuance and terms,
- calendar outlining anticipated actions,
- responsible parties for closing the transaction, and
- the timeframe for seeking a final bond resolution, if not already secured.

The Multifamily Bond Financing documentation costs must match the amounts in the AHFA.

A development team may seek an inducement resolution for OHFA-issued bonds before an application is submitted. This does not constitute any commitment of competitive resources for the project. The inducement resolution shall communicate OHFA's non-binding intent to issue such bonds and allow for the reimbursement of pre-development costs with bond proceeds up to 60 days prior to the date of inducement. Projects qualify for 4% LIHTC as long as at least 25% of the project's aggregate basis is financed with qualified residential rental private activity bonds as detailed in 26 U.S.C. §142(d). Applicants should review the Multifamily Bond Financing Guidelines. Additional information will be required to be provided to OHFA one month prior to an OHFA Board meeting.

## 25. Notification to Accessibility Groups

When is this due?  Proposal Application  Final Application

Applicants proposing newly affordable units must notify all accessibility groups in the county.

Applicants agree to accept referrals for prospective residents and consider design recommendations for the property. The application shall include copies of all correspondence between the applicant and accessibility groups.

If requested by an accessibility group, the applicant will provide the most current copy of the development's architectural plans prior to submitting the application.

## 26. Organizational Chart (for the LIHTC Ownership Entity)

When is this due?  **Proposal Application**  **Final Application**

# Appendix B: Ohio Housing Trust Fund (OHTF) Requirements

---

## Applicable Statutory and Regulatory Authority

Ohio Revised Code (ORC): [O.R.C. Chapter 174](#)  
Ohio Administrative Code (OAC): [O.A.C. Chapter 122:6](#)

---

## Background

The OHTF was created in October 1991 through passage of House Bill 339 in Ohio's 119<sup>th</sup> General Assembly to provide funding for "...activities that provide housing and housing assistance for specifically targeted low- and moderate-income families and individuals." Certain activities are required to receive an annual allocation under [O.R.C. §174.02; however,](#) the annual amount dedicated to OHFA under [O.R.C. §174.03](#) is not specifically outlined. [Under O.R.C. §174.03, OHTF includes several program-specific targets by which OHFA must abide, including the following:](#)

- At least 45% of annual OHTF funds must be awarded to non-profit organizations
- At least 50% must be awarded to housing and housing assistance for families and individuals outside of Participating Jurisdictions as defined under the HOME program; and
- At least 75% of funds must be awarded for housing and housing assistance to families and individuals whose income is equal to or less than 50% of AMI with preference to viable activities that benefit families and individuals whose income is equal to or less than 35% AMI.

## Rent and Income Restrictions

Developers seeking OHTF resources for projects located in rural counties must commit to the following Restricted and Assisted Unit rent and income restrictions. Restricted and Assisted Units may overlap, but the more restrictive of the two must be underwritten.

### State-Required Restricted Units

Regardless of the amount of OHTF resources, the state of Ohio through its [Ohio Consolidated Plan](#) (ConPlan) requires a minimum of 35% of the affordable units must be affordable to and occupied by households with incomes at or below 50 percent of AMI for projects located outside of Participating Jurisdictions (PJs).

### Federally Required Assisted Units

OHTF resources follow the HOME program's cost allocation method referenced in [24 C.F.R. §92.205\(d\)\(1\)](#) and [CPD-16-15](#) to determine the number of Assisted Units because the state of Ohio uses OHTF as state match for federal HOME resources under [24 C.F.R. §92.219\(b\)\(2\)](#).

- Less than 5 Assisted Units: Assisted Units must be restricted at the lower of (1) 65% AMI or (2) Fair Market Rent (High HOME) per [24 C.F.R. §92.252\(a\)](#).
- Greater than or equal to 5 Assisted Units: At least 20% of the Assisted Units must be restricted to the lower of (1) 50% AMI, (2) Fair Market Rent (Low HOME), or (3) LIHTC rent not greater than the gross rent for rent-restricted residential units as determine by under 26 U.S.C. 42(g)(2). The remaining 80% may meet the High HOME requirements outlined above.

# Appendix C: Single Family Lease Purchase

## Development Team Requirements

OHFA will only accept applications that include owners, developers, and property managers with experience in overseeing single-family lease-purchase LIHTC housing in Ohio. The minimum experience requirements are as follows and proof must be provided by the applicant:

The organization must have at least 25% general partner or managing member interest in the proposed development. The applicant must reflect the minimum ownership percentage in its application.
- The owner/developer has developed one or more successful lease-purchase communities, evidenced by an average occupancy rate of 90 percent or greater over the past 10 years.
- The management company has experience marketing and leasing one or more lease-purchase communities. To qualify for this criterion, there can be no outstanding Uniform Physical Condition Standards (UPCS) violations and/or uncorrected IRS Form 8823s.
- The majority General Partner also controls majority General Partnership interest in one or more lease-purchase communities and can demonstrate disposition of no less than 50 percent of sale-eligible, affordable units to income-qualified buyers over the past ten years from the date of application.

## Project Requirements

- Single-family lease purchase projects are ineligible for HDAP
- Single-family lease purchase projects must not be age-restricted to seniors (i.e., they must be general occupancy).
- Single-family lease purchase projects may not transfer any of the responsibilities of the owner or management company to the renter or prospective homeowner until and unless the project has transitioned to homeownership. This includes, but is not limited to yard work, maintenance, or repairs.

In addition to meeting all requirements of the most recently published Design and Architectural Standards, all architectural plans and specifications must demonstrate that the design and configuration of all units is consistent with the design and architecture of the surrounding neighborhood. All single-family homes or townhomes must include at least three bedrooms.

## Transition Reserve

The applicant must commit to capitalize a prefunded replacement reserve in the amount of \$2,500 per unit set aside in an escrow account and matched over 15 years. The funds (a minimum of \$5,000 per unit) must be used to either provide down payment assistance or assistance with closing costs.

The Escrow Account must be maintained as a separate account on the LIHTC ownership's financial statements and may not be accessed without prior written approval from OHFA.

Applicants must submit evidence of sources of financing for the transition funds, including, but not limited to: general partner or managing member capital contributions, private and/or foundation funding, etc. The applicant must provide firm commitment letters which indicate the funding is to be used for the development.

## Supportive Services and Homeownership Strategy Plan

Single-family lease purchase projects must include a Supportive Services and Homeownership Strategy Plan detailing the following:

- An ownership exit strategy that specifies the methods for determining the value and calculation of purchase price(s) at the time of sale;
- The transition of any local HOME funds and/or permanent debt from the project;

- A commitment from the service provider detailing the nature and frequency of services. The commitment must include homeownership counseling, education, and training;
- The terms and conditions of any mortgage or loan product offered to assist residents with purchasing the home after Year 15; and
- When and how often eligible tenants of the proposed development will be notified of their option to eventually purchase the home and offered a right of first refusal.

## Transition to Homeownership

Within 90 days of the transition to homeownership, the owner must commission a third-party Physical Capital Needs Assessment (PCNA) at its own expense to determine the capital needs of the property. The ownership must ensure that all issues identified by the PCNA and any major component with an Expected Useful Life (EUL) of less than five years are repaired and/or replaced prior to sale. Prior to transition, the ownership must commission a third-party appraisal to establish the value of the property.

Any loan or mortgage must include escrow for taxes and insurance.
