A. 4% LIHTC QAP Overview

Purpose

Pursuant to [26 U.S.C. §42\(m\)](#), each state credit agency must craft a Qualified Allocation Plan (QAP) for the allocation of federal Low-Income Housing Tax Credits (LIHTCs). Although the LIHTC program is governed by the Internal Revenue Service (IRS), each state credit agency must design and administer a QAP setting forth the “selection criteria to be used to determine housing priorities of the housing credit agency which are appropriate to local conditions.” As the state credit agency for the state of Ohio, this document serves as the QAP for allocating 4% LIHTCs—previously known as 30% Present Value LIHTCs prior to passage of Section 201 of the [Consolidated Appropriations Act, 2021](#) (P.L. 116-260)—which are not subject to the annual state credit ceiling.

For the OHFA process of administering 9% LIHTCs—previously known as 70% Present Value LIHTCs prior to enactment of Section 131 of the [Consolidated Appropriations Act, 2016](#) (P.L. 114-113)—which are subject to the state credit ceiling under 26 U.S.C. §42(h)(3), please see the Agency’s most recent [9% LIHTC QAP](#).

4% LIHTCs

United State Code: [26 U.S.C. §42](#)

Code of Federal Regulations: [24 C.F.R. §§1.42-1 – 1.42-19T](#)

The LIHTC program was created through the Tax Reform Act of 1986 and serves as the federal government’s central mechanism for the development of affordable housing today. Although governed by the Internal Revenue Service (IRS), it is administered on a state-by-state basis through state housing credit agencies. As Ohio’s housing credit agency, OHFA retains responsibility for allocating federal LIHTCs by establishing housing priorities appropriate to local conditions through a Qualified Allocation Plan (QAP) referenced in [26 USC §42\(m\)](#).

Tax credits are dollar-for-dollar reductions in federal tax liability. Because affordable rental housing cannot be funded with LIHTCs directly, developers enter into an agreement with investors directly or through syndicators—organizations that act on behalf of investors—to pass the benefits of LIHTCs on to entities that can use them. In exchange, these direct investors or syndicators provide equity that, along with other resources, helps finance the development of affordable rental housing. Federal statute ensures that properties funded with LIHTC equity serve low-income tenants by requiring that LIHTC property owners execute an Extended Low-Income Housing Commitment per [26 U.S.C. §24\(h\)\(6\)\(b\)](#) which regulates operations for a minimum 30-year period.

The LIHTC program includes two distinct types of LIHTCs: 9% and 4%. The 9% LIHTC is a limited resource with an annual credit ceiling determined by multiplying the state’s population by a statutorily defined per capita multiplier. The 9% LIHTC value is calculated as 9% of a proposed project’s qualified basis over 10 years. 9% LIHTC policies can be found in the most recently-published [9% LIHTC QAP](#). Contrarily, the 4% LIHTC is not limited by the state’s annual credit ceiling; however, it’s value is only worth 4% of a project’s qualified basis over 10 years, or 2.25 times less, all else equal. Therefore, 4% LIHTC deals typically must secure funding from additional sources to achieve financial feasibility. Exhibit 1 below details how 9% and 4% LIHTCs are calculated.

Exhibit 1: Calculating LIHTC Equity, Example 9% vs. 4% LIHTC Project

Assume a hypothetical 60-unit new construction project is being proposed in which 100% of the units will be LIHTC-restricted and the site is located outside of a Qualified Census Tract (QCT)¹ or Difficult Development Area (DDA)².

LIHTC Calculation	4% LIHTC Project	9% LIHTC Project
Total Development Costs (TDC):	\$17,000,000	\$17,000,000
- Ineligible Costs ³	\$2,000,000	\$2,000,000
= Eligible Basis	\$15,000,000	\$15,000,000
+ QCT/DDA Basis Boost:	N/A	N/A
= Qualified Basis:	\$15,000,000	\$15,000,000
X Credit Rate	4%	9%
= Annual LIHTCs	\$600,000	\$1,350,000
X 10 Years (Total LIHTC):	\$6,000,000	\$13,500,000
X Equity Price:	\$0.91	\$0.91
= Total LIHTC Equity:	\$5,460,000	\$12,285,000
TDC Funded with LIHTC Equity:	32%	72%

Unlike the 9% LIHTC, to claim the full amount of 4% LIHTC, at least 50% of a project's aggregate basis⁴ must be funded with residential rental private activity bonds (PABs) per 26 U.S.C. §42(h)(4)(B). If a project is financed with less than 50%, the 4% LIHTC amount is pro-rated on the portion of aggregate basis that is financed with PABs, cutting the resulting LIHTC allocation by at least half. Therefore, PABs remain an essential piece of structuring 4% LIHTC projects.

Should PAB volume become limited, OHFA must prioritize the allocation of 4% LIHTCs by preferences outlined in 26 U.S.C. §42(m)(1)(B) and selection criteria referenced in 26 U.S.C. §42(m)(1)(C).

Residential Rental Private Activity Bonds

United State Code: [26 U.S.C. §142](#)

Code of Federal Regulations: [26 C.F.R. §§1.141-1.150-5](#)

Applicants of 4% LIHTC projects must fund at least 50% of a project's land and aggregate basis with [26 U.S.C. §142\(d\)](#) residential rental private activity bonds (PABs) to claim the full LIHTC amount. PABs are debt securities issued by state and local governments to finance activities that advance a public interest, of which residential rental projects is just one of 30 such federally-defined activities. PABs issued for qualified private activities benefit from federal tax exemption on interest payments made to bondholders. This tax exemption typically reduces PAB interest rates vis-à-vis debt that is not tax exempt.

¹ The term Qualified Census Tract (QCT) is defined in [26 U.S.C. §42\(d\)\(5\)\(B\)\(ii\)](#) as any census tract designated by HUD in which either (a) 50% or more of households have an income less than 60% of the area median income (AMI) or (b) has a poverty rate of at least 25%.

² The term Difficult Development Area (DDA) is defined in [26 U.S.C. §42\(d\)\(5\)\(B\)\(iii\)](#) as any area defined by HUD which has high construction, land, and utility costs relative to AMI.

³ Eligible basis is defined in the [Internal Revenue Code \(IRC\) §42 Audit Technique Guide](#) as the total allowable cost associated with the depreciable residential rental project. Chapter 8 identifies specific development costs that are ineligible and must be removed from eligible basis.

⁴ Aggregate basis is essentially depreciable basis. Unlike eligible basis, aggregate basis can include the cost of commercial space.

PABs are limited by an annual state volume cap ceiling. For 2023, the total state of Ohio volume cap for PABs is approximately \$1.41 billion⁵; however, this is across all private activities. Under Ohio Administrative Code [\(OAC\) Chapter 122-4](#), the Ohio Department of Development (Development) serves as the administrating agency on behalf of the state of Ohio for annual PAB volume cap. Volume cap is distributed among private activities in accordance with [OAC Chapter 122-4-02](#); the lesser of \$120 million or 15% of the state ceiling is set aside for residential rental projects. More information on PAB volume cap can be found on [Development's website](#).

Per 26 U.S.C. §142(k)(5)(B)(ii), any unused PAB volume cap in a calendar year can be carried forward for three calendar years following the year in which the volume cap was left unused. OHFA retains the ability under [OAC Chapter 122-4-05\(A\)\(6\)](#) to carry forward unused PAB volume cap for single-family mortgage revenue bonds and use such “carryforward” for any of its lawful purposes, including residential rental projects. When OHFA has available state PAB volume cap under the regulatory allocation described above or receives carryforward, OHFA itself can act as the PAB issuer; otherwise, applicants must seek residential rental PABs either directly from Development or a qualified local issuer.

B. Modification and Interpretation

OHFA's actions, determinations, decisions, or other rulings pursuant to this QAP are not a representation or warranty by OHFA as to a development's compliance with applicable legal requirements, the feasibility or viability of any development, or of any other matter whatsoever. The QAP is subject to modification pending developments in federal, state, and OHFA policy.

OHFA makes no representation that underwriting or funding decisions from a prior year will be determinative in future application rounds. Identical year-over-year submissions may receive differing treatment, with or without notice to an applicant, due to new insights gained during prior review periods, shifts in policy, the need for consistent in-year interpretation, increased applicant competition, or any other reason OHFA deems necessary. OHFA will clarify and issue responses to commonly posed questions regarding the QAP through a Frequently Asked Questions (FAQ) document that will be posted on the OHFA website. The FAQ, as well as the OHFA Multifamily Underwriting Guidelines, Design and Architectural Standards, and Affordable Housing Funding Application (AHFA) are specifically incorporated herein and binding on all applicants. Notwithstanding the foregoing, errors and omissions in the AHFA are not binding on OHFA and do not modify the QAP.

The allocation of LIHTCs is made at the sole discretion of OHFA. OHFA will resolve all conflicts, inconsistencies, or ambiguities, if any, in this QAP or which may arise in administering, operating, or managing the reservation and allocation of LIHTCs. This includes the interpretation of requirements and guidelines and the determination of a development meeting the intent of those requirements and guidelines. OHFA may modify or waive, on a case-by-case basis, any provision of this QAP that is not required by law. All such modifications or waivers are subject to written approval by the Executive Director, Senior Director of Housing Programs, or Director of Multifamily Housing.

⁵ Per [IRS Revenue Procedure 2022-38 Section 3.20](#), the State of Ohio's 2023 volume cap for PABs is \$120 multiplied by the state population of 11,756,058 [per IRS Bulletin 2023-12](#).

Final Application Process

The ~~Final~~ Application process involves four major steps:

(1) Minimum Financial and Threshold Review

~~Final~~ Applications must be complete at the time of submission and meet a Minimum Financial and Threshold Review before being assigned to an OHFA Analyst for review. At a minimum, the application will be reviewed for the following minimum standards:

- ~~All threshold submission items referenced herein are included and properly completed~~
- ~~One of the eligible LIHTC minimum set-aside selections referenced in 26 U.S.C. §42(g) is made and the rent breakdown properly reflects the selected set-aside~~
- If a project-based rental subsidy contract is being contemplated, such subsidy contract [Rental Subsidy](#) (1) meets the minimum requirements of the Rental Subsidy threshold requirements referenced herein and found in the most recently-published Multifamily Underwriting Guidelines and (2) is properly reflected in the rent breakdown
- ~~Operating expenses on a per-unit, per-annum (PUPA) basis are within the interquartile range (IQR) of OHFA's most recently published [Operating Expense Calculator data](#). If operating expenses are above the IQR, an explanation must be provided to validate high costs.~~
- Total development costs on a per-unit and per-gross square foot basis are within ~~(1) the Cost Containment Standards listed below and (2) the IQR of OHFA's rolling, five-year database of approved 4% LIHTC projects. If costs are above the IQR, but below the Cost Containment Standards, an explanation must be provided to validate high costs.~~
- An appraisal meets OHFA's requirements listed herein and in OHFA's most recently-published Multifamily Underwriting Guidelines
- Conditional Financial Commitments (1) meet the requirements herein and those referenced in the most recently-published Multifamily Underwriting Guidelines and (2) match information provided in the Affordable Housing Funding Application (AHFA), OHFA's template proforma.
- The debt service coverage ratio (DSCR) or Income-to-Expense Ratio (if the proposed financing will not include hard-pay debt) are within the limits established by the most recently-published Multifamily Underwriting Guidelines.
- [Zoning documentation meets program guidelines.](#)

~~Applications that do not meet all Minimum Financial and Threshold review criteria, will be provided a list of deficiencies. All deficiencies must be cured within two business days. If deficiencies cannot be cured, the application ~~will~~may be rejected. ~~must be resubmitted in whole as a new application. If the applicant resubmits a full application in a future window or round a full application fee will be due. Applicants must resubmit within the window or will be required to submit the following year using the most recently approved guidelines.~~~~

(2) Full Threshold, Underwriting, and Architectural Review

~~Prior to this step all correspondence shall be sent only to 4percentcomments@ohiohome.org. After a project meets Minimum Financial and Threshold Review, an OHFA analyst will be assigned to the project. Following approval of a Minimum Financial and Threshold Review, OHFA analysts~~[The analyst](#) will complete a full Threshold and Underwriting Review. This review involves a comprehensive analysis of the project's compliance with the most recent Multifamily Underwriting Guidelines and threshold requirements outlined in these Guidelines and compliance with the most recent State of Ohio LIHTC and Housing Development Loan guidelines, if applicable. The assigned OHFA analyst will draft a review letter detailing any deficiencies. Applicants will have two weeks to cure any outlined deficiencies. Deficiencies must be cured; otherwise, the application may be rejected.

OHFA staff will perform an architectural review for compliance with the most recent Design and Architectural Standards (DAS). Without architectural Conditional Approval, the application will not secure a 42(m) Letter of Eligibility or seek OHFA Board approval, if required.

(3) OHFA Multifamily Committee and Board Approval

All deficiencies must be cured no later than the first business day of the month prior to the month of the requested Board meeting.

All projects seeking a reservation of Housing Development Loan (HDL) resources and/or an inducement resolution/final resolution for OHFA-issued residential rental private activity bonds must seek and secure OHFA Multifamily Committee recommendation and Board approval. The OHFA Multifamily Committee and Board monthly calendar can be found on the [OHFA Board Website](#). Once scheduled for a specific month, the assigned OHFA analyst will work with the applicant to complete an Executive Summary, which provides summary information about the project to the OHFA Multifamily Committee and Board. Once complete, the Executive Summary will be posted to [OHFA's BoardDocs Website](#). Applicants are encouraged to attend the Multifamily Committee and Board meeting either in person or virtually at which the project is to be presented.

(4) 42(m) Letter of Eligibility and Transitioning to Project Administration

Following underwriting, threshold, and architectural conditional approval, OHFA will execute a 42(m) Letter of Eligibility with the LIHTC ownership entity.

Once developments have a signed 42(m) Letter of Eligibility, the project will be transitioned to a Project Administration analyst. The assigned analyst will guide the development team through the construction, draw, 8609 and closeout process. Requirements are posted on the OHFA [Project Administration webpage](#).

~~Construction Completion and Project Operations~~

~~Compliance Next Steps Meeting~~

~~Completion of the Compliance Next Steps (CNS) meeting is required for all properties as they transition from the Agency's Development office to the Office of Program Compliance. If not completed, the issuance of Form 8600 may be delayed. The Compliance Next Steps Process webpage contains the most current information on the CNS meeting, including scheduling information and required forms and documents.~~

~~Ongoing Program Compliance~~

~~In accordance with 26 U.S.C. §42(m)(1)(B)(iii), OHFA provides monitoring procedures for identifying and notifying the IRS of non-compliance with the LIHTC program, including non-compliance with habitability standards through regular site visits. These requirements can be found on the Compliance Policies page of the OHFA website. A summary of such requirements is provided below:~~

~~• Compliance Training~~

~~A representative of the owner and/or management company is required to attend a LIHTC training at least once every two years. The owner is required to certify attendance through the submission of the Annual Owner Certification indicating that this requirement has been met. OHFA will accept LIHTC training offered by nationally recognized trainers or consultants (e.g. US Housing Consultants, E&A Team, Costello, Zeffert & Associates, Quadel). The training must incorporate such items as LIHTC fundamentals, qualifying tenants, assets and income and IRS regulations.~~

~~• Compliance Monitoring~~

~~Owners receiving a LIHTC allocation are responsible for compliance with all requirements of the Internal Revenue Code including such rules, regulations, administrative revenue proclamations and revenue rulings as may be issued from time to time.~~

~~OHFA will monitor each development for compliance during the term of the Restrictive Covenant. Monitoring requirements and the protocol for compliance monitoring may be adjusted as deemed necessary or appropriate by OHFA which includes compliance with 24 C.F.R. §1.42-5 and IRS Section 42 Audit Guide, which may be amended from time to time by the IRS.~~

~~The initial audit for new properties must be conducted by the end of the second year after the last building is placed in service. The IRS permits agencies to monitor the lesser of 20% of the units on a project or the number provided in the minimum unit sample size delineated in 26 C.F.R. §1.42-5(c)(2)(iii)(B).~~

~~LIHTC owners must request access to a property in the Agency's on-line reporting system prior to qualifying residents. Once owners gain access, they must approve access for other users of the online reporting system. Owners must ensure property managers and the appropriate on-site staff register and have access to necessary projects in the system.~~

~~• Notice of Noncompliance~~

~~Should OHFA discover that a development is not in compliance with 26 U.S.C. §42, or that credit has been claimed or will be claimed for units that are ineligible, OHFA will notify the owner promptly. The owner shall have a minimum of 30 days from the date of notification to cure the noncompliance. In extraordinary circumstances, and only if OHFA determines that there is good cause, an extension of up to six months may be granted to complete a cure for noncompliance. OHFA will notify the Internal Revenue Service, utilizing Form 8823, no later than 45 days after the end of the correction period, and no earlier than the end of the correction period, of the nature of the noncompliance and will indicate to the IRS whether or not the owner has made appropriate corrections.~~

~~While OHFA will notify the owner of compliance issues, neither a finding of non-compliance nor a determination that non-compliance has been cured is binding on the Internal Revenue Service. Owners who have received a notification from OHFA that a project is in compliance may still be subject to an IRS audit and the possibility of loss or recapture of LIHTCs. Refer to the Internal Revenue Code for additional information about federal compliance regulations.~~

~~● Annual Reporting~~

~~Owners must annually submit certifications and reports to remain in compliance with program requirements. The owner will be required to prepare and submit to OHFA an Annual Owner Certification (AOC) which certifies that for the preceding 12-month period the project met the requirements of 26 U.S.C. §42. 26 C.F.R. §1.42-5(c)(1) lists the annual certification requirements. Owners are required to submit the AOC and Tenant Data to OHFA electronically. Owner reports are due March 1 of each year unless amended by OHFA. Refer to OHFA's Compliance Policies webpage in the Annual Reporting section for current information and requirements.~~

~~● Fair Housing Requirements~~

~~The owner shall comply with all requirements of the federal Fair Housing Act as codified in 42 U.S.C. Chapter 45, Ohio Revised Code Section 4112, and local fair housing requirements, as each may be amended. The owner shall ensure the project does not discriminate, as defined by 42 U.S.C. §3604, against any person because of sexual orientation or gender identity or expression. Also see 24 C.F.R. Part 100 Subpart H for the Quid Pro Quo and Hostile Environment Harassment and Liability for Discriminatory Housing Practices under the Fair Housing Act. Additionally, OHFA directly and affirmatively seeks to promote the Olmstead and ADA integration principles through its policies and funded developments.~~

~~● Tenant Selection Plans~~

~~Owners will adopt Tenant Selection Plans (TSPs) allowing individuals with a criminal record to access LIHTC housing while ensuring the safety of all residents.~~

- ~~○ The TSP must explicitly prohibit the denial of admission, termination of assistance or eviction on the basis of arrest records alone, not accompanied by additional conditions that ultimately diminish or negate the effect of the prohibition. The TSP may create reasonable look-back periods for review of crimes but must not have blanket prohibitions on any person with any conviction record. The housing provider should have a policy that considers the nature, severity, and recency of criminal conduct.~~
- ~~○ The TSP must include an individual assessment of each tenant applicant's history and provide the tenant applicant an opportunity to provide mitigating information before denying housing~~

~~based on upon the result of criminal screening. This item requires the consideration of additional information before denying housing based on an individual's criminal record. The TSP must reflect that the housing provider will request mitigating information from the applicant before denying housing based on the applicant's criminal history without the tenant applicant needing to request an individualized assessment or submitting an appeal. In all cases, this should occur before a denial/decision has been made.~~

- ~~○ The TSP is also required to be submitted and reviewed by OHFA as part of the Compliance Next Steps process for the project. When developing their TSPs, Owners should refer to HUD's Office of General Counsel Guidance on Application of Fair Housing Act Standards to the Use of Criminal Records by Providers of Housing and Real Estate Related Transactions (HUD Guidance) and this model criminal background screening policy.~~

~~● Domestic Violence Protection and Prevention~~

~~In conformity with the Violence Against Women's Act (VAWA) Reauthorization of 2023 as codified in **34 U.S.C. Chapter 121 Subpart III**, an applicant for or tenant of housing assisted under the LIHTC program, or any affiliated individual thereof, may not be denied admission, denied assistance, terminated or evicted from the housing on the basis that they are a victim of domestic violence, dating violence, sexual assault or stalking, if the applicant, tenant, or affiliated individual otherwise qualifies for admission, assistance, participation, or occupancy. Every tenant and applicant must be provided a Notice of Occupancy Rights when admitted as a tenant, denied admission, denied assistance, or being terminated/evicted.~~

~~An incident of domestic violence, dating violence, sexual assault, or stalking shall not be considered a lease violation by the victim, nor shall it be considered good cause for an eviction of the victim. If a tenant or affiliated individual who is a victim requests an early lease termination, lease bifurcation from the abuser, or transfer to another unit because she/he is in danger, the owner/manager shall make every effort to comply with the request and shall not penalize the tenant.~~

- 3) [Average Income](#): At least 40% of the residential units must be both rent restricted and occupied by households that do not exceed the imputed income limitation of the respective unit so long as the average of the imputed income limitations does not exceed 60% AMI. Imputed income limits can range from 20% to 80% AMI in 10% increments. Please see OHFA's [Average Income Policy](#) for more details.

[Resyndications \(projects still within the 30-year compliance period\)](#) must maintain their original set asides.

Broadband Infrastructure

All developments must install broadband infrastructure in compliance with [Federal Register 81 FR 31181 "Narrowing the Digital Divide through Installation of Broadband Infrastructure"](#). Installation must result in speeds in each unit (living or dining room and each bedroom) and all common areas meeting the Federal Communications Commission's [Fourteenth Broadband Deployment Report](#) or the speed required to qualify as Tier 2 broadband service under [Ohio Revised Code 122.40](#), whichever speed requirement is higher at the time of generating pre-construction estimates. Owners are not required to pay for tenants' service but must provide free access in all common areas (exclusive of circulation space) through the Extended Use Period (does not apply to developments in areas that lack adequate broadband service according to the most recent Federal Communications Commission maps).

To calculate the number of 504-mobility units needed to meet this threshold standard, first multiply the total number of units by 5%, round up to the nearest whole unit, and multiply the result by two.~~

~~Universal Design~~

~~All projects applying for funding under this 4% LIHTC QAP must incorporate all mandatory Universal Design components as outlined in the most recently published Design and Architectural Standards.~~

~~Detrimental Land Uses~~

~~Projects qualifying as New Affordability shall not be sited adjacent to or in close proximity to any detrimental land use that impairs a resident's proper use of the residence as outlined in the most recently approved Design & Architectural Standards.~~

Developer Fee Limitation

In accordance with the statutory preference outlined in [26 U.S.C. §42\(m\)\(1\)\(B\)\(II\)](#) to "...serve qualified tenants for the longest periods", applicants, OHFA requires all LIHTC development teams to waive the right of the owner to petition OHFA to have the extended use period terminated as described in [26 U.S.C. §42\(h\)\(6\)\(F\)](#).

Eligible Basis Boost

- 1) **Codified Basis Boost:** In accordance with [26 U.S.C. §42\(d\)\(5\)\(B\)](#), buildings located in Qualified Census Tracts (QCTs) or Difficult Development Areas (DDAs) are statutorily eligible for an increase in eligible basis of up to 130%. Such designations are typically determined by HUD in October of the prior year in which such buildings are eligible. To determine if a building is located in a QCT or DDA, visit HUD's Office of Policy Development and Research (PD&R) Web site [here](#).

Developers [and/or Co-Developers](#) that have not previously worked with OHFA will be limited to one reservation of LIHTC. Such developers [and/or Co-Developers](#) will not be able to apply for additional awards of LIHTC until the first project has been successfully completed and received its 8609 forms.

Developers [and/or Co-Developers](#) that have not previously worked with OHFA but have significant experience with 4% LIHTC in other states as demonstrated by successfully securing an IRS Form 8609 on at least five 4% LIHTC properties in other states, may submit a Programmatic Exception Request to participate in more than one LIHTC project. OHFA retains the discretion to limit such developers to participating to one award.

Disqualifying Developer and Owner Characteristics

Any member of the development team or ownership that has (1) failed to pay any fee or expense due to OHFA, (2) been in default or in major non-compliance with any OHFA program, (3) been debarred or suspended from any OHFA, HUD, or Rural Housing programs, (4) is currently in foreclosure or been foreclosed, or (5) is under felony investigation, indicted or been convicted of a felony, may not participate in the program until the event or events are corrected or resolved. OHFA may contact other local, state, and/or federal housing agencies to solicit feedback related to a specific developer or development team member.

Any member of the development team or ownership that is federally debarred may not participate in the program. OHFA will confirm through the [System for Award Management \(SAM\) website](#) that no member of the development team has been debarred or suspended from doing business with the federal government. OHFA may pull business credit reports on any or all members of the development team to determine if outstanding liens or judgements exist, depending on the results provided in the Lien and Litigation Reports.

Financial Capacity

[Financial Capacity will be demonstrated by the Development Teams ability to secure construction and permanent financing, and tax credit equity.](#)

~~OHFA will review the financial capacity of the developer and co-developer (if applicable), and each parent member of the General Partner/Managing Member associated with a submitted application. OHFA requires an executed Financial Capacity form and a real estate owned (REO) schedule for all existing projects for which the lead developer and co-developer (if applicable) maintain an ownership interest. OHFA will review the following three metrics:~~

- ~~• Net worth~~
- ~~• Current ratio (current assets ÷ current liabilities)~~
- ~~• Portfolio risk as defined by any projects identified in an REO schedule with a debt service coverage ratio or income to expense ratio at or below 1.0.~~

Appendix C: Good Standing Policy

Program participants will be considered to be in Good Standing unless one or more of the following apply to a project in which a member of the Development Team has:

- (1) Outstanding uncorrected IRS Form 8823.
- (2) Default on any OHFA loan.
- (3) Failure to submit an AOC.
- (4) Before the issuance of IRS Form 8609, the project has non-compliance issues that would be reported to the IRS if Form 8609 had been issued.
- (5) Failure to request Form 8609 in a timely manner.
- (6) Failure to abide by the regulations of the Housing Development Assistance Program (HDAP).
- (7) Violating the terms of a HDAP funding agreement.
- (8) Failure to pay applicable program fees.
- (9) Failure to maintain good standing with an Ohio Department of Development program.
- (10) Deviating from an approved project plan without OHFA approval.
- (11) Providing false, misleading, or incomplete information on an application or other document required by the OHFA.
- (12) Failure to respond in a reasonable period to requests for information or documentation.
- (13) Changing a management company or other approved project participant without OHFA approval.
- (14) Other determinations made by OHFA based on a pattern of mismanagement or noncompliance as evidenced by monitoring reviews or other information. Determinations may be directly appealed to the OHFA Multifamily Committee as described below.

A designation of not in good standing will result in the entity or individual so designated being unable to participate in any OHFA programs until the violations resulting in such designation are resolved. Parties deemed to be not in good standing under any of the above items may, upon submission of additional information, request that OHFA remove such designation. In the event OHFA denies a request, the applicant may appeal to the Multifamily Committee of the OHFA Board. The Multifamily Committee will make a recommendation to the OHFA Board. Designations of not in good standing resulting from Item 14 (above) may be appealed directly to the Multifamily Committee. The Multifamily Committee will make a recommendation to the OHFA Board. The decision of the OHFA Board is final.

Projects may request that the OHFA waive violations of the good standing policy as described in Items 1-13 above. Examples of circumstances where a waiver may be issued include when a management company or owner “inherits” uncorrected Forms 8823, or in the event of a casualty loss. The OHFA Staff will make a recommendation to the OHFA Board who may waive violations.

Appendix D: Construction Completion and Project Operations

Compliance Next Steps Meeting

Completion of the Compliance Next Steps (CNS) meeting is required for all properties as they transition from the Agency's Development office to the Office of Program Compliance. If not completed, the issuance of Form 8609 may be delayed. The **Compliance Next Steps Process webpage** contains the most current information on the CNS meeting, including scheduling information and required forms and documents.

Ongoing Program Compliance

In accordance with **26 U.S.C. §42(m)(1)(B)(iii)**, OHFA provides monitoring procedures for identifying and notifying the IRS of non-compliance with the LIHTC program, including non-compliance with habitability standards through regular site visits. These requirements can be found on the **Compliance Policies** page of the OHFA website. A summary of such requirements is provided below:

- Compliance Training

A representative of the owner and/or management company is required to attend a LIHTC training at least once every two years. The owner is required to certify attendance through the submission of the Annual Owner Certification indicating that this requirement has been met. OHFA will accept LIHTC training offered by nationally-recognized trainers or consultants (e.g. US Housing Consultants, E&A Team, Costello, Zeffert & Associates, Quadel). The training must incorporate such items as LIHTC fundamentals, qualifying tenants, assets and income and IRS regulations.

- Compliance Monitoring

Owners receiving a LIHTC allocation are responsible for compliance with all requirements of the Internal Revenue Code including such rules, regulations, administrative revenue proclamations and revenue rulings as may be issued from time to time.

OHFA will monitor each development for compliance during the term of the Restrictive Covenant. Monitoring requirements and the protocol for compliance monitoring may be adjusted as deemed necessary or appropriate by OHFA which includes compliance with **24 C.F.R. §1.42-5** and **IRS Section 42 Audit Guide**, which may be amended from time to time by the IRS.

The initial audit for new properties must be conducted by the end of the second year after the last building is placed in service. The IRS permits agencies to monitor the lesser of 20% of the units on a project or the number provided in the minimum unit sample size delineated in **26 C.F.R. §1.42-5(c)(2)(iii)(B)**.

LIHTC owners must request access to a property in the Agency's on-line reporting system prior to qualifying residents. Once owners gain access, they must approve access for other users of the online reporting system. Owners must ensure property managers and the appropriate on-site staff register and have access to necessary projects in the system.

- Notice of Noncompliance

Should OHFA discover that a development is not in compliance with 26 U.S.C. §42, or that credit has been claimed or will be claimed for units that are ineligible, OHFA will notify the owner promptly. The owner shall have a minimum of 30 days from the date of notification to cure the noncompliance. In extraordinary circumstances, and only if OHFA determines that there is good cause, an extension of up to six months may be granted to complete a cure for noncompliance. OHFA will notify the Internal Revenue Service, utilizing Form 8823, no later than 45 days after the end of the correction period, and no earlier than the end of the correction period, of the nature of the noncompliance and will indicate to the IRS whether or not the owner has made appropriate corrections.

While OHFA will notify the owner of compliance issues, neither a finding of non-compliance nor a determination that non-compliance has been cured is binding on the Internal Revenue Service. Owners who have received a notification from OHFA that a project is in compliance may still be subject to an IRS audit and the possibility of loss or recapture of LIHTCs. Refer to the Internal Revenue Code for additional information about federal compliance regulations.

- Annual Reporting

Owners must annually submit certifications and reports to remain in compliance with program requirements. The owner will be required to prepare and submit to OHFA an Annual Owner Certification (AOC) which certifies that for the preceding 12-month period the project met the requirements of 26 U.S.C. §42. 26 C.F.R. §1.42-5(c)(1) lists the annual certification requirements. Owners are required to submit the AOC and Tenant Data to OHFA electronically. Owner reports are due March 1 of each year unless amended by OHFA. Refer to **OHFA's Compliance Policies webpage** in the Annual Reporting section for current information and requirements.

- Fair Housing Requirements

The owner shall comply with all requirements of the federal Fair Housing Act as codified in 42 U.S.C. Chapter 45, Ohio Revised Code Section 4112, and local fair housing requirements, as each may be amended. The owner shall ensure the project does not discriminate, as defined by 42 U.S.C. §3604, against any person because of sexual orientation or gender identity or expression. Also see 24 C.F.R. Part 100 Subpart H for the Quid Pro Quo and Hostile Environment Harassment and Liability for Discriminatory Housing Practices under the Fair Housing Act. Additionally, OHFA directly and affirmatively seeks to promote the Olmstead and ADA integration principles through its policies and funded developments.

- Tenant Selection Plans

Owners will adopt Tenant Selection Plans (TSPs) allowing individuals with a criminal record to access LIHTC housing while ensuring the safety of all residents.

- The TSP must explicitly prohibit the denial of admission, termination of assistance or eviction on the basis of arrest records alone, not accompanied by additional conditions that ultimately diminish or negate the effect of the prohibition. The TSP may create reasonable look-back periods for review of crimes but must not have blanket prohibitions on any person with any conviction record. The housing provider should have a policy that considers the nature, severity, and recency of criminal conduct.
- The TSP must include an individual assessment of each tenant applicant's history and provide the tenant applicant an opportunity to provide mitigating information before denying housing based on upon the result of criminal screening. This item requires the consideration of additional information before denying housing based on an individual's criminal record. The TSP must reflect that the housing provider will request mitigating information from the applicant before denying housing based on the applicant's criminal history without the tenant applicant needing to request an individualized assessment or submitting an appeal. In all cases, this should occur before a denial/decision has been made.

- The TSP is also required to be submitted and reviewed by OHFA as part of the Compliance Next Steps process for the project. When developing their TSPs, Owners should refer to HUD’s Office of General Counsel Guidance on Application of Fair Housing Act Standards to the Use of Criminal Records by Providers of Housing and Real Estate-Related Transactions (HUD Guidance) and this model criminal background screening policy.
- Domestic Violence Protection and Prevention

In conformity with the Violence Against Women’s Act (VAWA) Reauthorization of 2023 as codified in 34 U.S.C. Chapter 121 Subpart III, an applicant for or tenant of housing assisted under the LIHTC program, or any affiliated individual thereof, may not be denied admission, denied assistance, terminated or evicted from the housing on the basis that they are a victim of domestic violence, dating violence, sexual assault or stalking, if the applicant, tenant, or affiliated individual otherwise qualifies for admission, assistance, participation, or occupancy. Every tenant and applicant must be provided a Notice of Occupancy Rights when admitted as a tenant, denied admission, denied assistance, or being terminated/evicted.

An incident of domestic violence, dating violence, sexual assault, or stalking shall not be considered a lease violation by the victim, nor shall it be considered good cause for an eviction of the victim. If a tenant or affiliated individual who is a victim requests an early lease termination, lease bifurcation from the abuser, or transfer to another unit because she/he is in danger, the owner/manager shall make every effort to comply with the request and shall not penalize the tenant.

Each owner/manager shall have an emergency transfer plan for victims seeking safety, which incorporates reasonable confidentiality measures to ensure that the owner or manager does not disclose the location of the dwelling unit of a tenant to a person that commits an act of violence or stalking against the tenant. Be advised that an emergency transfer plan incorporates many features in addition to a transfer plan, since an emergency transfer often may not be possible.

An owner/manager may request documentation from a victim before these protections are triggered. If the owner/manager requests documentation, the applicant, tenant, or affiliated individual may provide any one of the following documents and owner/manager shall accept it as adequate documentation: a letter or form signed by the victim, including HUD’s Self Certification Form 5382; a letter signed by a domestic violence service provider, attorney, or medical/mental health professional who assisted the victim; a police report; or a court or administrative record. This submission shall be confidential as defined in 81 FR 80724 and 24 C.F.R. §5.2007(c). Owners/managers shall also comply with all court orders.

Guidance related to complying with VAWA at OHFA-funded projects can be found on the OHFA Compliance Policies webpage.
- Violence Against Women Act (VAWA) Ongoing Compliance

Adherence to the requirements of VAWA is required for all projects receiving funding through one or more of OHFA’s Multifamily Housing programs. Properties that receive HOME, OHTF, and/or NHTF funding are required to follow the HUD 2013 VAWA Final Rule. Although the IRS has not provided guidance on how to comply with the VAWA, OHFA requires properties with LIHTC funding follow the HUD 2013 VAWA Final Rule when implementing VAWA Rule protections for their tenants. For more information on ongoing compliance with VAWA, visit OHFA’s Compliance Policies webpage.
- Evictions

Owners will neither advertise “no evictions” screening policies nor deny an application for tenancy based on the following:

- Credit information or report, tenant screening report, or any other consumer report demonstrating a failure to pay rent or utility bills during the COVID-19 emergency period.
 - An eviction proceeding that sealed, did not result in a judgment in favor of the plaintiff was brought during the COVID-19 emergency period for nonpayment, or was filed against tenants subsequent to a foreclosure of the rental property. 3. An eviction judgment by agreement or a judgement that has been either vacated or marked satisfied.
 - Cases in which the tenant
 - prevailed on any significant defense or setoff claim, even if possession was awarded to the landlord; or
 - was named but at the time of the eviction suit was either a minor or not residing in the premises.
 - Cases filed based on lease violations from household members who will not be included in the proposed future household.
 - Any eviction case filed, or eviction judgment entered, four or more years before the application to rent was submitted.
- Affirmative Fair Housing Marketing Plans

Affirmative Fair Housing Marketing Plans (AFHMP) and affirmative marketing procedures are required for all projects receiving funding through one or more of OHFA’s Multifamily Housing programs, including but not limited to LIHTC, HOME, OHTF, and/or NHTF funds and any recipients of federal funds such as Section 8, 202, 236, BMIR projects or USDA/Rural Development Section 515. Projects receiving any of these funding sources are required to have Affirmative Fair Housing Marketing Plans. Federal regulations for Affirmative Fair Marketing are in **24 C.F.R. Part 200, Subpart M.**

Information and guidance related to completing the AFHMPs can be found on OHFA’s Compliance Policies webpage under “Affirmative Fair Housing Marketing”. The project’s AFHMP must be submitted to OHFA’s Compliance Office for approval. For developments allocated OHFA funding on or after 2021, the AFHMP must be approved by OHFA prior to issuance of Form 8609.

Asset Management

All LIHTC projects must submit annual, independently prepared audited financial statements throughout the 15-year Compliance Period. During the Extended Use Period, projects with 50 or more units will continue to submit independently prepared audited financial statements; projects with less than 50 units will submit independently prepared reviewed financial statements. OHFA may request additional information.

Changes in owner and/or management companies or sale of the project that occur after a project has placed-in-service must be submitted to OHFA’s Division of Asset Management.
