Summit Square

Summit Square Apartments (the "Project") is a 154-unit affordable housing community located at 616 Summit Square Drive in Dayton, OH. The Project, which was originally constructed in 1971 and substantially renovated in 2006 utilizing low-income housing tax credits ("LIHTC"), consists of 18 two-story buildings containing 2 one-bedroom units, 90 two-bedroom units, 50 three-bedroom units, and 12 four-bedroom units set on approximately 9 acres of land. Each unit has a well-equipped kitchen, a comfortable living area, central HVAC, and washer/dryer connections. Community amenities include picnic tables, benches, a playground, and an on-site management office. The Project is currently assisted by a project-based Section 8 Housing Assistance Payment contract covering 98% of the units. The project is in need of renovation and modernization. The proposed renovation will include upgrades to unit interiors, repairs to building exteriors and building systems, and an upgrade of project amenities.
