Alpha Towers
Alpha Towers is a 165-unit Project-Based Section 8 elderly and disabled property within a mile of Downtown Toledo, Ohio built in 1976.
The Section 8 HAP contract covers all 165 units and is set to expire in 2028. Essence Development entered into a Purchase and Sale Agreement with the current owner to acquire the property, contingent upon a successful renewal of the Section 8 HAP contract and a rental subsidy increase by HUD through a Chapter 15 Mark-Up-To-Mark Renewal, a re-syndication of 4% Tax Credits, and receipt of a property tax abatement under the City of Toledo's Community Reinvestment Area program.
The scope of renovations include common area upgrades, interior unit finish upgrades, LED lights and motion-sensored lighting in common areas and corridors, replacing existing windows and storefront with more energy-efficient glass, roof replacement, air-sealing, replacement of common area PTAC units, and bringing the property to ADA compliance, etc.
