Project Narrative

Watterson Lake involves the redevelopment of a former elementary school site at the corner of Detroit Ave. and West 74th St. on the west side of Cleveland. Developers include Bridging the Gap, a Pittsburgh-based urban developer and Cuyahoga Metropolitan Housing Authority. The project will include a large community service facility requested by the neighborhood as part of an RFP process. The City will continue to own the real estate, providing a no-cost lease to the developers, as well as significant soft funding. Located just a few blocks west of the Gordon Square Arts District, Watterson Lake will provide much-needed affordable housing at a range of rents and unit types in a gentrifying neighborhood.
