Project Narrative

The proposed development is a 120-unit, new construction assisted living facility located in Hamilton Township, Ohio. All units will be LIHTC-restricted and serve low-income seniors in need of activities of daily living support. Ohio's Medicaid waiver program will support the project, helping to ensure residents can access affordable care. The three-story building will feature high-quality amenities including a commercial kitchen, bistro, and outdoor patio to enhance residents' quality of life. The project will be developed by EREG Senior Living LLC, with WJW serving as architect and The Douglas Company as general contractor. Financing will include publicly offered tax-exempt bonds marketed by D.A. Davidson and LIHTC equity from Affordable Housing Partners (AHP).
