

This document describes the Housing Finance Agency (HFA) Hardest-Hit Fund (HHF) data that state HFAs are required to provide to the U.S. Department of the Treasury. It includes quarterly borrower characteristic data and program specific performance data. All HFA HHF data submitted to the U.S. Department of the Treasury must be accurate, complete, and in agreement with retained HFA records. Data should be reported by each state HFA by the 45th day following the quarter.

Data requested in the "Borrower Characteristic" worksheet should be reported in aggregate for all HHF programs run by the state HFA. Program specific data is separated into reporting tabs for each individual program. State HFAs should report program performance data on an individual program basis. A data dictionary has been provided to assist in the definition of each data point.

1. Homeowners continue to move between declined, withdrawn and in process as they are reviewed for assistance under new program guidelines and/or circumstances change.

2. The report states that cumulative should be 15782. The actual number is 15779 due to 3 homeowners receiving return assistance in a different quarter. The system counted these as unique homeowners.

	QTD	Cumulative

3. Total QTD and cumulative total program assistance will not balance to the figures on Q3 2013 QFR. Funds for the Homeowner Stabilization Program were issued to leverage the purchase of a distressed asset pool. To date an estimated 4.235 million have been utilized out of the 15.0 million already disbursed, resulting in a QTD variance of 2.59 million and a cumulative variance of 10.765 million.

4. Certain characteristics are not captured for the Homeownership Stabilization Assistance program and therefore, the noted categories will not sum to the total number of homeowners assisted.

**\*The Geographic Breakdown, Hardship Information, HMDA fields as well as Median Household Size should be reported in whole number format. All other Borrower Characteristic fields should be reported as %**

**\*\*Since applications marked as denied or withdrawn in previous quarters may be reconsidered due to a change in borrower circumstances, some unique borrower counts may not sum in a quarter-over-quarter fashion.**
